## EXPLANATORY NOTE

Consonance-HFW Acquisition Corp. is filing this Amendment No. 1 to its Registration Statement on Form S-1 (File No. 333-249394) solely for the purpose of filing certain exhibits to the Registration Statement as indicated in Item 16 in the index to exhibits and making corresponding updates to Item 16 and the Exhibit Index. Accordingly, this Amendment No. 1 consists only of the facing page, this explanatory note, Part II of the Registration Statement, the signature page to the Registration Statement and the filed exhibits. The remainder of the Registration Statement is unchanged and has therefore been omitted.

### Part II

#### Information not required in prospectus

#### Item 13. Other Expenses of Issuance and Distribution.

The estimated expenses payable by us in connection with the offering described in this registration statement (other than the underwriting discount and commissions) will be as follows:

SEC and FINRA expenses	\$ 33,000
Accounting fees and expenses	60,000
Printing and engraving expenses	40,000
Travel and road show expenses	20,000
Legal fees and expenses	300,000
NYSE listing and filing fees	75,000
Director & Officers liability insurance premiums <sup>(1)</sup>	125,000
Miscellaneous	347,000
<b>Total</b>	<b>\$ 1,000,000</b>

(1) This amount represents the approximate amount of annual director and officer liability insurance premiums the registrant anticipates paying following the completion of its initial public offering and until it completes a business combination.

#### Item 14. Indemnification of directors and officers.

Cayman Islands law does not limit the extent to which a company's memorandum and articles of association may provide for indemnification of officers and directors, except to the extent any such provision may be held by the Cayman Islands courts to be contrary to public policy, such as to provide indemnification against willful default, willful neglect, civil fraud or the consequences of committing a crime. Our amended and restated memorandum and articles of association provides for indemnification of our officers and directors to the maximum extent permitted by law, including for any liability incurred in their capacities as such, except through their own actual fraud, willful default or willful neglect. We may purchase a policy of directors' and officers' liability insurance that insures our officers and directors against the cost of defense, settlement or payment of a judgment in some circumstances and insures us against our obligations to indemnify our officers and directors.

Our officers and directors have agreed to waive any right, title, interest or claim of any kind in or to any monies in the trust account, and have agreed to waive any right, title, interest or claim of any kind they may have in the future as a result of, or arising out of, any services provided to us and will not seek recourse against the trust account for any reason whatsoever. Accordingly, any indemnification provided will only be able to be satisfied by us if (i) we have sufficient funds outside of the trust account or (ii) we consummate an initial business combination.

---

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

**Item 15. Recent sales of unregistered securities.**

On September 4, 2020, Consonance Life Sciences, our sponsor, paid \$25,000 or approximately \$0.00696 per share, to cover for certain offering costs in consideration for 3,593,750 of our Class B ordinary shares. On October 8, 2020, 718,750 Class B ordinary shares were contributed back to the Company for no consideration, resulting in there being 2,875,000 Class B ordinary shares being issued and outstanding (at approximately \$0.0087 per share). Such securities were issued in connection with our organization pursuant to the exemption from registration contained in Section 4(a)(2) of the Securities Act.

Our sponsor is an accredited investor for purposes of Rule 501 of Regulation D. Each of the equity holders in our sponsor is an accredited investor under Rule 501 of Regulation D. The sole business of Consonance Life Sciences is to act as the company's sponsor in connection with this offering.

Our sponsor has committed, pursuant to a written agreement, to purchase 450,000 private placement units (or 480,000 private placement warrants if the underwriters' over-allotment option is exercised in full) at a purchase price of \$4,500,000 (or \$4,800,000 if the underwriters' over-allotment option is exercised in full), in a private placement that will close simultaneously with the closing of this offering. These issuances will be made pursuant to the exemption from registration contained in Section 4(a)(2) of the Securities Act.

No underwriting discounts or commissions were paid with respect to such sales.

**Item 17. Undertakings.**

(a)

The undersigned registrant hereby undertakes:

(1) That for the purpose of determining any liability under the Securities Act of 1933 in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(2) That for the purpose of determining liability under the Securities Act of 1933 to any purchaser, if the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(b) The undersigned hereby undertakes to provide to the underwriter at the closing specified in the underwriting agreements, certificates in such denominations and registered in such names as required by the underwriter to permit prompt delivery to each purchaser.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(d)

The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- 3.1 Subject to the provisions, if any, in the Memorandum (and to any direction that may be given by the Company in general meeting), these Articles and, where applicable, the rules and regulations of the Designated Stock Exchange, the SEC and/or any other competent regulatory authority or otherwise under Applicable Law, and without prejudice to any rights attached to any existing Shares, the directors have general and unconditional authority to allot (with or without confirming rights of renunciation), issue, grant options over or otherwise deal with any unissued Shares of the Company to such persons, at such times and on such terms and conditions as they may decide, save that the directors may not allot, issue, grant options over or otherwise deal with any unissued Shares to the extent that it may affect the ability of the Company to carry out a Class B Share Conversion described at Article 12. No Share may be issued at a discount except in accordance with the provisions of the Law.
- 3.2 Without limitation to the preceding Article, the directors may so deal with the unissued Shares of the Company:
- (a) either at a premium or at par;
  - (b) with or without preferred, deferred or other special rights or restrictions whether in regard to dividend, voting, return of capital or otherwise.
- 3.3 The Company may issue rights, options, warrants or convertible securities or securities of similar nature conferring the right upon the holders thereof to subscribe for, purchase or receive any class of Shares or other securities in the Company at such times and on such terms and conditions as the directors may decide.
- 3.4 The Company may issue units of securities in the Company, which may be comprised of Shares, rights, options, warrants or convertible securities or securities of similar nature conferring the right upon the holders thereof to subscribe for, purchase or receive any class of Shares or other securities in the Company, on such terms and conditions as the directors may decide. The securities comprising any such units which are issued pursuant to the IPO can only be traded separately from one another on the 52nd day following the date of the prospectus relating to the IPO unless the Representative(s) determines that an earlier date is acceptable, subject to the Company having filed a current report on Form 8-K containing an audited balance sheet reflecting the Company's receipt of the gross proceeds of the IPO with the SEC and a press release announcing when such separate trading will begin. Prior to such date, the units can be traded, but the securities comprising such units cannot be traded separately from one another.

#### Power to issue fractions of a Share

- 3.5 Subject to the Law, the Company may issue fractions of a Share of any class. A fraction of a Share shall be subject to and carry the corresponding fraction of liabilities (whether with respect to calls or otherwise), limitations, preferences, privileges, qualifications, restrictions, rights and other attributes of a Share of that class of Shares.

**Power to pay commissions and brokerage fees**

3.6 The Company may, in so far as the Law permits, pay a commission to any person in consideration of that person:

- (a) subscribing or agreeing to subscribe, whether absolutely or conditionally; or
- (b) procuring or agreeing to procure subscriptions, whether absolute or conditional for any Shares in the Company. That commission may be satisfied by the payment of cash or the allotment of Fully Paid or partly-paid Shares or partly in one way and partly in another.

3.7 The Company may employ a broker in the issue of its capital and pay him any proper commission or brokerage.

**Trusts not recognised**

3.8 Except as required by Applicable Law:

- (a) the Company shall not be bound by or compelled to recognise in any way (even when notified) any equitable, contingent, future or partial interest in any Share, or (except only as is otherwise provided by these Articles or the Law) any other rights in respect of any Share other than an absolute right to the entirety thereof in the holder; and
- (b) no person other than the Member shall be recognised by the Company as having any right in a Share.

**Power to vary class rights**

3.9 If the share capital is divided into different classes of Shares then, unless the terms on which a class of Shares was issued state otherwise, the rights attaching to a class of Shares may only be varied if one of the following applies:

- (a) the Members holding two thirds of the issued Shares of that class consent in writing to the variation; or
- (b) the variation is made with the sanction of a Special Resolution passed at a separate general meeting of the Members holding the issued Shares of that class.

- 3.10 For the purpose of paragraph (b) of the preceding Article, all the provisions of these Articles relating to general meetings apply, mutatis mutandis, to every such separate meeting except that:
- (a) the necessary quorum shall be one or more persons holding, or representing by proxy, not less than one third of the issued Shares of the class; and
  - (b) any Member holding issued Shares of the class, present in person or by proxy or, in the case of a corporate Member, by its duly authorised representative, may demand a poll.

**Effect of new Share issue on existing class rights**

- 3.11 Unless the terms on which a class of Shares was issued state otherwise, the rights conferred on the Member holding Shares of any class shall not be deemed to be varied by the creation or issue of further Shares ranking *pari passu* with the existing Shares of that class.

**Capital contributions without issue of further Shares**

- 3.12 With the consent of a Member, the directors may accept a voluntary contribution to the capital of the Company from that Member without issuing Shares in consideration for that contribution. In that event, the contribution shall be dealt with in the following manner:
- (a) It shall be treated as if it were a share premium.
  - (b) Unless the Member agrees otherwise:
    - (i) if the Member holds Shares in a single class of Shares, it shall be credited to the share premium account for that class of Shares;
    - (ii) if the Member holds Shares of more than one class, it shall be credited rateably to the share premium accounts for those classes of Shares (in the proportion that the sum of the issue prices for each class of Shares that the Member holds bears to the total issue prices for all classes of Shares that the Member holds).
  - (c) It shall be subject to the provisions of the Law and these Articles applicable to share premiums.

### **No bearer Shares or warrants**

3.13 The Company shall not issue Shares or warrants to bearers.

### **Treasury Shares**

3.14 Shares that the Company purchases, redeems or acquires by way of surrender in accordance with the Law shall be held as Treasury Shares and not treated as cancelled if:

- (a) the directors so determine prior to the purchase, redemption or surrender of those shares; and
- (b) the relevant provisions of the Memorandum and Articles and the Law are otherwise complied with.

### **Rights attaching to Treasury Shares and related matters**

3.15 No dividend may be declared or paid, and no other distribution (whether in cash or otherwise) of the Company's assets (including any distribution of assets to members on a winding up) may be made to the Company in respect of a Treasury Share.

3.16 The Company shall be entered in the Register as the holder of the Treasury Shares. However:

- (a) the Company shall not be treated as a member for any purpose and shall not exercise any right in respect of the Treasury Shares, and any purported exercise of such a right shall be void;
- (b) a Treasury Share shall not be voted, directly or indirectly, at any meeting of the Company and shall not be counted in determining the total number of issued shares at any given time, whether for the purposes of these Articles or the Law.

3.17 Nothing in the preceding Article prevents an allotment of Shares as fully paid bonus shares in respect of a Treasury Share and Shares allotted as fully paid bonus shares in respect of a Treasury Share shall be treated as Treasury Shares.

3.18 Treasury Shares may be disposed of by the Company in accordance with the Law and otherwise on such terms and conditions as the directors determine.

## **4. Register of Members**

4.1 The Company shall maintain or cause to be maintained the Register of Members in accordance with the Law.

4.2 The directors may determine that the Company shall maintain one or more branch registers of Members in accordance with the Law. The directors may also determine which Register of Members shall constitute the principal register and which shall constitute the branch register or registers, and to vary such determination from time to time.

## **5. Share certificates**

### **Issue of share certificates**

- 5.1 Upon being entered in the Register of Members as the holder of a Share, a Member shall be entitled:
- (a) without payment, to one certificate for all the Shares of each class held by that Member (and, upon transferring a part of the Member's holding of Shares of any class, to a certificate for the balance of that holding); and
  - (b) upon payment of such reasonable sum as the directors may determine for every certificate after the first, to several certificates each for one or more of that Member's Shares.
- 5.2 Every certificate shall specify the number, class and distinguishing numbers (if any) of the Shares to which it relates and whether they are Fully Paid or partly paid up. A certificate may be executed under seal or executed in such other manner as the directors determine.
- 5.3 The Company shall not be bound to issue more than one certificate for Shares held jointly by several persons and delivery of a certificate for a Share to one joint holder shall be a sufficient delivery to all of them.

### **Renewal of lost or damaged share certificates**

- 5.4 If a share certificate is defaced, worn-out, lost or destroyed, it may be renewed on such terms (if any) as to:
- (a) evidence;
  - (b) indemnity;
  - (c) payment of the expenses reasonably incurred by the Company in investigating the evidence; and
  - (d) payment of a reasonable fee, if any, for issuing a replacement share certificate
- as the directors may determine, and (in the case of defacement or wearing-out) on delivery to the Company of the old certificate.

## **6. Lien on Shares**

### **Nature and scope of lien**

6.1 The Company has a first and paramount lien on all Shares (whether Fully Paid or not) registered in the name of a Member (whether solely or jointly with others). The lien is for all moneys payable to the Company by the Member or the Member's estate:

- (a) either alone or jointly with any other person, whether or not that other person is a Member; and
- (b) whether or not those moneys are presently payable.

6.2 At any time the directors may declare any Share to be wholly or partly exempt from the provisions of this Article.

### **Company may sell Shares to satisfy lien**

6.3 The Company may sell any Shares over which it has a lien if all of the following conditions are met:

- (a) the sum in respect of which the lien exists is presently payable;
- (b) the Company gives notice to the Member holding the Share (or to the person entitled to it in consequence of the death or bankruptcy of that Member) demanding payment and stating that if the notice is not complied with the Shares may be sold; and
- (c) that sum is not paid within 14 Clear Days after that notice is deemed to be given under these Articles.

6.4 The Shares may be sold in such manner as the directors determine.

6.5 To the maximum extent permitted by Applicable Law, the directors shall incur no personal liability to the Member concerned in respect of the sale.

### **Authority to execute instrument of transfer**

6.6 To give effect to a sale, the directors may authorise any person to execute an instrument of transfer of the Shares sold to, or in accordance with the directions of, the purchaser. The title of the transferee of the Shares shall not be affected by any irregularity or invalidity in the proceedings in respect of the sale.

### **Consequences of sale of Shares to satisfy lien**

6.7 On sale pursuant to the preceding Articles:

- (a) the name of the Member concerned shall be removed from the Register of Members as the holder of those Shares; and
- (b) that person shall deliver to the Company for cancellation the certificate for those Shares.

Despite this, that person shall remain liable to the Company for all monies which, at the date of sale, were presently payable by him to the Company in respect of those Shares. That person shall also be liable to pay interest on those monies from the date of sale until payment at the rate at which interest was payable before that sale or, failing that, at the Default Rate. The directors may waive payment wholly or in part or enforce payment without any allowance for the value of the Shares at the time of sale or for any consideration received on their disposal.

#### **Application of proceeds of sale**

6.8 The net proceeds of the sale, after payment of the costs, shall be applied in payment of so much of the sum for which the lien exists as is presently payable. Any residue shall be paid to the person whose Shares have been sold:

- (a) if no certificate for the Shares was issued, at the date of the sale; or
- (b) if a certificate for the Shares was issued, upon surrender to the Company of that certificate for cancellation

but, in either case, subject to the Company retaining a like lien for all sums not presently payable as existed on the Shares before the sale.

#### **7. Calls on Shares and forfeiture**

##### **Power to make calls and effect of calls**

7.1 Subject to the terms of allotment, the directors may make calls on the Members in respect of any moneys unpaid on their Shares including any premium. The call may provide for payment to be by instalments. Subject to receiving at least 14 Clear Days' notice specifying when and where payment is to be made, each Member shall pay to the Company the amount called on his Shares as required by the notice.

7.2 Before receipt by the Company of any sum due under a call, that call may be revoked in whole or in part and payment of a call may be postponed in whole or in part. Where a call is to be paid in instalments, the Company may revoke the call in respect of all or any remaining instalments in whole or in part and may postpone payment of all or any of the remaining instalments in whole or in part.

7.3 A Member on whom a call is made shall remain liable for that call notwithstanding the subsequent transfer of the Shares in respect of which the call was made. A person shall not be liable for calls made after such person is no longer registered as Member in respect of those Shares.

##### **Time when call made**

7.4 A call shall be deemed to have been made at the time when the resolution of the directors authorising the call was passed.

**Liability of joint holders**

7.5 Members registered as the joint holders of a Share shall be jointly and severally liable to pay all calls in respect of the Share.

**Interest on unpaid calls**

7.6 If a call remains unpaid after it has become due and payable the person from whom it is due and payable shall pay interest on the amount unpaid from the day it became due and payable until it is paid:

- (a) at the rate fixed by the terms of allotment of the Share or in the notice of the call; or
- (b) if no rate is fixed, at the Default Rate.

The directors may waive payment of the interest wholly or in part.

**Deemed calls**

7.7 Any amount payable in respect of a Share, whether on allotment or on a fixed date or otherwise, shall be deemed to be payable as a call. If the amount is not paid when due the provisions of these Articles shall apply as if the amount had become due and payable by virtue of a call.

**Power to accept early payment**

7.8 The Company may accept from a Member the whole or a part of the amount remaining unpaid on Shares held by him although no part of that amount has been called up.

**Power to make different arrangements at time of issue of Shares**

7.9 Subject to the terms of allotment, the directors may make arrangements on the issue of Shares to distinguish between Members in the amounts and times of payment of calls on their Shares.

**Notice of default**

7.10 If a call remains unpaid after it has become due and payable the directors may give to the person from whom it is due not less than 14 Clear Days' notice requiring payment of:

- (a) the amount unpaid;
- (b) any interest which may have accrued;
- (c) any expenses which have been incurred by the Company due to that person's default.

7.11 The notice shall state the following:

- (a) the place where payment is to be made; and
- (b) a warning that if the notice is not complied with the Shares in respect of which the call is made will be liable to be forfeited.

**Forfeiture or surrender of Shares**

7.12 If the notice under the preceding Article is not complied with, the directors may, before the payment required by the notice has been received, resolve that any Share the subject of that notice be forfeited. The forfeiture shall include all dividends or other moneys payable in respect of the forfeited Share and not paid before the forfeiture. Despite the foregoing, the directors may determine that any Share the subject of that notice be accepted by the Company as surrendered by the Member holding that Share in lieu of forfeiture.

7.13 The directors may accept the surrender for no consideration of any Fully Paid Share.

**Disposal of forfeited or surrendered Share and power to cancel forfeiture or surrender**

7.14 A forfeited or surrendered Share may be sold, re-allotted or otherwise disposed of on such terms and in such manner as the directors determine either to the former Member who held that Share or to any other person. The forfeiture or surrender may be cancelled on such terms as the directors think fit at any time before a sale, re-allotment or other disposition. Where, for the purposes of its disposal, a forfeited or surrendered Share is to be transferred to any person, the directors may authorise some person to execute an instrument of transfer of the Share to the transferee.

**Effect of forfeiture or surrender on former Member**

7.15 On forfeiture or surrender:

- (a) the name of the Member concerned shall be removed from the Register of Members as the holder of those Shares and that person shall cease to be a Member in respect of those Shares; and
- (b) that person shall surrender to the Company for cancellation the certificate (if any) for the forfeited or surrendered Shares.

7.16 Despite the forfeiture or surrender of his Shares, that person shall remain liable to the Company for all moneys which at the date of forfeiture or surrender were presently payable by him to the Company in respect of those Shares together with:

- (a) all expenses; and

- (b) interest from the date of forfeiture or surrender until payment:
  - (i) at the rate of which interest was payable on those moneys before forfeiture; or
  - (ii) if no interest was so payable, at the Default Rate.

The directors, however, may waive payment wholly or in part.

#### **Evidence of forfeiture or surrender**

7.17 A declaration, whether statutory or under oath, made by a director or the Secretary shall be conclusive evidence of the following matters stated in it as against all persons claiming to be entitled to forfeited Shares:

- (a) that the person making the declaration is a director or Secretary of the Company, and
- (b) that the particular Shares have been forfeited or surrendered on a particular date.

Subject to the execution of an instrument of transfer, if necessary, the declaration shall constitute good title to the Shares.

#### **Sale of forfeited or surrendered Shares**

7.18 Any person to whom the forfeited or surrendered Shares are disposed of shall not be bound to see to the application of the consideration, if any, of those Shares nor shall his title to the Shares be affected by any irregularity in, or invalidity of the proceedings in respect of, the forfeiture, surrender or disposal of those Shares.

### **8. Transfer of Shares**

#### **Form of transfer**

8.1 Subject to the following Articles about the transfer of Shares, and provided that such transfer complies with the rules and regulations of the Designated Stock Exchange, the SEC and/or any other competent regulatory authority or otherwise under Applicable Law, a Member may transfer Shares to another person by completing an instrument of transfer in a common form or in a form prescribed by the rules and regulations of the Designated Stock Exchange, the SEC and/or any other competent regulatory authority or otherwise under Applicable Law or in any other form approved by the directors, executed:

- (a) where the Shares are Fully Paid, by or on behalf of that Member; and
- (b) where the Shares are partly paid, by or on behalf of that Member and the transferee.

8.2 The transferor shall be deemed to remain the holder of a Share until the name of the transferee is entered into the Register of Members.

**Power to refuse registration**

8.3 If the Shares in question were issued in conjunction with rights, options or warrants issued pursuant to Article 3.4 on terms that one cannot be transferred without the other, the directors shall refuse to register the transfer of any such Share without evidence satisfactory to them of the like transfer of such option or warrant.

**Power to suspend registration**

8.4 The directors may suspend registration of the transfer of Shares at such times and for such periods, not exceeding 30 days in any calendar year, as they determine.

**Company may retain instrument of transfer**

8.5 The Company shall be entitled to retain any instrument of transfer which is registered; but an instrument of transfer which the directors refuse to register shall be returned to the person lodging it when notice of the refusal is given.

**Registration of transfer of a Share following death or bankruptcy**

9.3 A person becoming entitled to a Share in consequence of the death or bankruptcy of a Member may elect to do either of the following:

- (a) to become the holder of the Share; or
- (b) to transfer the Share to another person.

- 9.4 That person must produce such evidence of his entitlement as the directors may properly require.
- 9.5 If the person elects to become the holder of the Share, he must give notice to the Company to that effect. For the purposes of these Articles, that notice shall be treated as though it were an executed instrument of transfer.
- 9.6 If the person elects to transfer the Share to another person then:
- (a) if the Share is Fully Paid, the transferor must execute an instrument of transfer; and
  - (b) if the Share is partly paid, the transferor and the transferee must execute an instrument of transfer.
- 9.7 All these Articles relating to the transfer of Shares shall apply to the notice or, as appropriate, the instrument of transfer.

#### **Indemnity**

- 9.8 A person registered as a Member by reason of the death or bankruptcy of another Member shall indemnify the Company and the directors against any loss or damage suffered by the Company or the directors as a result of that registration.

#### **Rights of person entitled to a Share following death or bankruptcy**

- 9.9 A person becoming entitled to a Share by reason of the death or bankruptcy of a Member shall have the rights to which he would be entitled if he were registered as the holder of the Share. - 14.8 Should a meeting be adjourned for more than twenty Clear Days, whether because of a lack of quorum or otherwise, Members shall be given at least five Clear Days' notice of the date, time and place of the adjourned meeting and the general nature of the business to be transacted. The directors may postpone a general meeting which has already been postponed.

**Method of voting**

14.11 A resolution put to the vote of the meeting shall be decided on a poll.

**Taking of a poll**

14.12 A poll demanded on the question of adjournment shall be taken immediately.

14.13 A poll demanded on any other question shall be taken either immediately or at an adjourned meeting at such time and place as the chairman directs, not being more than 30 Clear Days after the poll was demanded.

14.14 The demand for a poll shall not prevent the meeting continuing to transact any business other than the question on which the poll was demanded.

14.15 A poll shall be taken in such manner as the chairman directs. He may appoint scrutineers (who need not be Members) and fix a place and time for declaring the result of the poll. If, through the aid of technology, the meeting is held in more than place, the chairman may appoint scrutineers in more than place; but if he considers that the poll cannot be effectively monitored at that meeting, the chairman shall adjourn the holding of the poll to a date, place and time when that can occur.

**Written resolutions**

14.20 Members may pass a resolution in writing without holding a meeting if the following conditions are met:

- (a) all Members entitled so to vote are given notice of the resolution as if the same were being proposed at a meeting of Members;

Such written resolution shall be as effective as if it had been passed at a meeting of the Members entitled to vote duly convened and held.

14.21 If a written resolution is described as a Special Resolution or as an Ordinary Resolution, it has effect accordingly.

14.22 The directors may determine the manner in which written resolutions shall be put to Members. In particular, they may provide, in the form of any written resolution, for each Member to indicate, out of the number of votes the Member would have been entitled to cast at a meeting to consider the resolution, how many votes he wishes to cast in favour of the resolution and how many against the resolution or to be treated as abstentions. The result of any such written resolution shall be determined on the same basis as on a poll.

Each person so authorised under the provisions of this Article shall be deemed to have been duly authorised without further evidence of the facts and be entitled to exercise the same rights and powers on behalf of the clearing house (or its nominee(s)) as if such person was the registered holder of such Shares held by the clearing house (or its nominee(s)).

- 15.20 A Member may revoke the appointment of a proxy at any time by notice to the Company duly signed in accordance with the Article above about signing proxies; but such revocation will not affect the validity of any acts carried out by the proxy before the directors of the Company had actual notice of the revocation.

## How and when proxy is to be delivered

- 15.21 Subject to the following Articles, the form of appointment of a proxy and any authority under which it is signed (or a copy of the authority certified notarially or in any other way approved by the directors) must be delivered so that it is received by the Company not less than 48 hours before the time for holding the meeting or adjourned meeting at which the person named in the form of appointment of proxy proposes to vote. - 17.6 After the closing of a Business Combination, the Company may by Ordinary Resolution appoint any person to be a director or may by Ordinary Resolution remove any director.
- 17.7 Article 17.5 may only be amended by a Special Resolution passed by holders representing at least two-thirds of the Class B Ordinary Shares in issue.
- 17.8 Without prejudice to the Company's power to appoint a person to be a director pursuant to these Articles, the directors shall have power at any time to appoint any person who is willing to act as a director, either to fill a vacancy or as an additional director. A director elected to fill a vacancy resulting from the death, resignation or removal of a director shall serve for the remainder of the full term of the director whose death, resignation or removal shall have created such vacancy and until his successor shall have been elected and qualified.
- 17.9 Notwithstanding the other provisions of these Articles, in any case where, as a result of death, the Company has no directors and no shareholders, the personal representatives of the last shareholder to have died have the power, by notice in writing to the Company, to appoint a person to be a director. For the purpose of this Article:
- (a) where two or more shareholders die in circumstances rendering it uncertain who was the last to die, a younger shareholder is deemed to have survived an older shareholder;
  - (b) if the last shareholder died leaving a will which disposes of that shareholder's shares in the Company (whether by way of specific gift, as part of the residuary estate, or otherwise):
    - (i) the expression personal representatives of the last shareholder means:

- (A) until a grant of probate in respect of that will has been obtained from the Grand Court of the Cayman Islands, all of the executors named in that will who are living at the time the power of appointment under this Article is exercised; and
- (B) after such grant of probate has been obtained, only such of those executors who have proved that will;
  - (ii) without derogating from section 3(1) of the Succession Law (as revised), the executors named in that will may exercise the power of appointment under this Article without first obtaining a grant of probate.

17.10 A remaining director may appoint a director even though there is not a quorum of directors.

17.11 No appointment can cause the number of directors to exceed the maximum; and any such appointment shall be invalid.

17.12 For so long as Shares are listed on a Designated Stock Exchange, the directors shall include at least such number of Independent Directors as Applicable Law or the rules and regulations of the Designated Stock Exchange require, subject to applicable phase-in rules of the Designated Stock Exchange.

#### **Resignation of directors**

17.13 A director may at any time resign office by giving to the Company notice in writing or, if permitted pursuant to the notice provisions, in an Electronic Record delivered in either case in accordance with those provisions.

17.14 Unless the notice specifies a different date, the director shall be deemed to have resigned on the date that the notice is delivered to the Company.

#### **Termination of the office of director**

17.15 A director's office shall be terminated forthwith if:

- (a) he is prohibited by the law of the Islands from acting as a director; or
- (b) he is made bankrupt or makes an arrangement or composition with his creditors generally; or

- (c) in the opinion of a registered medical practitioner by whom he is being treated he becomes physically or mentally incapable of acting as a director; or
- (d) he is made subject to any law relating to mental health or incompetence, whether by court order or otherwise;
- (e) without the consent of the other directors, he is absent from meetings of directors for a continuous period of six months; or
- (f) all of the other directors (being not less than two in number) determine that he should be removed as a director, either by a resolution passed by all of the other directors at a meeting of the directors duly convened and held in accordance with these Articles or by a resolution in writing signed by all of the other directors.

## **18. Alternate directors**

### **Appointment and removal**

- 18.1 Any director may appoint any other person, including another director, to act in his place as an alternate director. No appointment shall take effect until the director has given notice of the appointment to the other directors. Such notice must be given to each other director by either of the following methods:
- (a) by notice in writing in accordance with the notice provisions;
  - (b) if the other director has an email address, by emailing to that address a scanned copy of the notice as a PDF attachment (the PDF version being deemed to be the notice unless Article 33.7 applies), in which event notice shall be taken to be given on the date of receipt by the recipient in readable form. For the avoidance of doubt, the same email may be sent to the email address of more than one director (and to the email address of the Company pursuant to Article 18.4(c)).
- 18.2 Without limitation to the preceding Article, a director may appoint an alternate for a particular meeting by sending an email to his fellow directors informing them that they are to take such email as notice of such appointment for such meeting. Such appointment shall be effective without the need for a signed notice of appointment or the giving of notice to the Company in accordance with Article 18.4.
- 18.3 A director may revoke his appointment of an alternate at any time. No revocation shall take effect until the director has given notice of the revocation to the other directors. Such notice must be given by either of the methods specified in Article 18.1.

18.4 A notice of appointment or removal of an alternate director must also be given to the Company by any of the following methods:

- (a) by notice in writing in accordance with the notice provisions;
- (b) if the Company has a facsimile address for the time being, by sending by facsimile transmission to that facsimile address a facsimile copy or, otherwise, by sending by facsimile transmission to the facsimile address of the Company's registered office a facsimile copy (in either case, the facsimile copy being deemed to be the notice unless Article 33.7 applies), in which event notice shall be taken to be given on the date of an error-free transmission report from the sender's fax machine;
- (c) if the Company has an email address for the time being, by emailing to that email address a scanned copy of the notice as a PDF attachment or, otherwise, by emailing to the email address provided by the Company's registered office a scanned copy of the notice as a PDF attachment (in either case, the PDF version being deemed to be the notice unless Article 33.7 applies), in which event notice shall be taken to be given on the date of receipt by the Company or the Company's registered office (as appropriate) in readable form; or
- (d) if permitted pursuant to the notice provisions, in some other form of approved Electronic Record delivered in accordance with those provisions in writing.

**Notices**

18.5 All notices of meetings of directors shall continue to be given to the appointing director and not to the alternate.

**Rights of alternate director**

18.6 An alternate director shall be entitled to attend and vote at any board meeting or meeting of a committee of the directors at which the appointing director is not personally present, and generally to perform all the functions of the appointing director in his absence.

18.7 For the avoidance of doubt:

- (a) if another director has been appointed an alternate director for one or more directors, he shall be entitled to a separate vote in his own right as a director and in right of each other director for whom he has been appointed an alternate; and

- (b) if a person other than a director has been appointed an alternate director for more than one director, he shall be entitled to a separate vote in right of each director for whom he has been appointed an alternate.

18.8 An alternate director, however, is not entitled to receive any remuneration from the Company for services rendered as an alternate director.

**Appointment ceases when the appointor ceases to be a director**

18.9 An alternate director shall cease to be an alternate director if the director who appointed him ceases to be a director.

**Status of alternate director**

18.10 An alternate director shall carry out all functions of the director who made the appointment.

18.11 Save where otherwise expressed, an alternate director shall be treated as a director under these Articles.

18.12 An alternate director is not the agent of the director appointing him.

18.13 An alternate director is not entitled to any remuneration for acting as alternate director.

**Status of the director making the appointment**

18.14 A director who has appointed an alternate is not thereby relieved from the duties which he owes the Company.

**19. Powers of directors**

**Powers of directors**

19.1 Subject to the provisions of the Law, the Memorandum and these Articles, the business of the Company shall be managed by the directors who may for that purpose exercise all the powers of the Company.

19.2 No prior act of the directors shall be invalidated by any subsequent alteration of the Memorandum or these Articles. However, to the extent allowed by the Law, following the consummation of the IPO Members may by Special Resolution validate any prior or future act of the directors which would otherwise be in breach of their duties.

**Appointments to office**

19.3 The directors may appoint a director:

- (a) as chairman of the board of directors;

- (b) as vice-chairman of the board of directors;
- (c) as managing director;
- (d) to any other executive office

for such period and on such terms, including as to remuneration, as they think fit.

19.4 The appointee must consent in writing to holding that office.

19.5 Where a chairman is appointed he shall, unless unable to do so, preside at every meeting of directors.

19.6 If there is no chairman, or if the chairman is unable to preside at a meeting, that meeting may select its own chairman; or the directors may nominate one of their number to act in place of the chairman should he ever not be available.

19.7 Subject to the provisions of the Law, the directors may also appoint any person, who need not be a director:

- (a) as Secretary; and
- (b) to any office that may be required (including, for the avoidance of doubt, one or more chief executive officers, presidents, a chief financial officer, a treasurer, vice-presidents, one or more assistant vice-presidents, one or more assistant treasurers and one or more assistant secretaries),

for such period and on such terms, including as to remuneration, as they think fit. In the case of an Officer, that Officer may be given any title the directors decide.

19.8 The Secretary or Officer must consent in writing to holding that office.

19.9 A director, Secretary or other Officer of the Company may not hold the office, or perform the services, of Auditor.

#### **Remuneration**

19.10 The remuneration to be paid to the directors, if any, shall be such remuneration as the directors shall determine, provided that no cash remuneration shall be paid to any director prior to the consummation of a Business Combination. The directors shall also, whether prior to or after the consummation of a Business Combination, be entitled to be paid all out of pocket expenses properly incurred by them in connection with activities on behalf of the Company, including identifying and consummating a Business Combination.

19.11 Remuneration may take any form and may include arrangements to pay pensions, health insurance, death or sickness benefits, whether to the director or to any other person connected to or related to him.

- 19.12 Unless his fellow directors determine otherwise, a director is not accountable to the Company for remuneration or other benefits received from any other company which is in the same group as the Company or which has common shareholdings.

**Disclosure of information**

- 19.13 The directors may release or disclose to a third party any information regarding the affairs of the Company, including any information contained in the Register of Members relating to a Member, (and they may authorise any director, Officer or other authorised agent of the Company to release or disclose to a third party any such information in his possession) if:
- (a) the Company or that person, as the case may be, is lawfully required to do so under the laws of any jurisdiction to which the Company is subject; or
  - (b) such disclosure is in compliance with the rules of any stock exchange upon which the Company's shares are listed; or
  - (c) such disclosure is in accordance with any contract entered into by the Company; or
  - (d) the directors are of the opinion such disclosure would assist or facilitate the Company's operations.

**20. Delegation of powers**

**Power to delegate any of the directors' powers to a committee**

- 20.1 The directors may delegate any of their powers to any committee consisting of one or more persons who need not be Members (including, without limitation, the Audit Committee, the Compensation Committee and the Nominating Committee). Persons on the committee may include non-directors so long as the majority of those persons are directors.
- 20.2 The delegation may be collateral with, or to the exclusion of, the directors' own powers.
- 20.3 The delegation may be on such terms as the directors think fit, including provision for the committee itself to delegate to a sub-committee; save that any delegation must be capable of being revoked or altered by the directors at will.
- 20.4 Unless otherwise permitted by the directors, a committee must follow the procedures prescribed for the taking of decisions by directors.

- 20.5 The directors may adopt formal written charters for committees and, if so adopted, shall review and assess the adequacy of such formal written charters on an annual basis. Each of these committees shall be empowered to do all things necessary to exercise the rights of such committee set forth in the Articles and shall have such powers as the directors may delegate pursuant to the Articles and as required by the rules and regulations of the Designated Stock Exchange, the SEC and/or any other competent regulatory authority or otherwise under Applicable Law. Each of the Audit Committee, the Compensation Committee and the Nominating Committee, if established, shall consist of such number of directors as the directors shall from time to time determine (or such minimum number as may be required from time to time by the rules and regulations of the Designated Stock Exchange, the SEC and/or any other competent regulatory authority or otherwise under Applicable Law). For so long as any class of Shares is listed on the Designated Stock Exchange, the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee shall be made up of such number of Independent Directors as is required from time to time by the rules and regulations of the rules and regulations of the Designated Stock Exchange, the SEC and/or any other competent regulatory authority or otherwise under Applicable Law.

**Power to appoint an agent of the Company**

- 20.6 The directors may appoint any person, either generally or in respect of any specific matter, to be the agent of the Company with or without authority for that person to delegate all or any of that person's powers. The directors may make that appointment:
- (a) by causing the Company to enter into a power of attorney or agreement; or
  - (b) in any other manner they determine.

**Power to appoint an attorney or authorised signatory of the Company**

- 20.7 The directors may appoint any person, whether nominated directly or indirectly by the directors, to be the attorney or the authorised signatory of the Company. The appointment may be:
- (a) for any purpose;
  - (b) with the powers, authorities and discretions;
  - (c) for the period; and
  - (d) subject to such conditions

as they think fit. The powers, authorities and discretions, however, must not exceed those vested in, or exercisable, by the directors under these Articles. The directors may do so by power of attorney or any other manner they think fit.

- 20.8 Any power of attorney or other appointment may contain such provision for the protection and convenience for persons dealing with the attorney or authorised signatory as the directors think fit. Any power of attorney or other appointment may also authorise the attorney or authorised signatory to delegate all or any of the powers, authorities and discretions vested in that person.

### **Power to appoint a proxy**

- 20.9 Any director may appoint any other person, including another director, to represent him at any meeting of the directors. If a director appoints a proxy, then for all purposes the presence or vote of the proxy shall be deemed to be that of the appointing director.
- 20.10 Articles 18.1 to 18.4 inclusive (relating to the appointment by directors of alternate directors) apply, mutatis mutandis, to the appointment of proxies by directors.
- 20.11 A proxy is an agent of the director appointing him and is not an Officer.

### **21. Meetings of directors**

#### **Regulation of directors' meetings**

- 21.1 Subject to the provisions of these Articles, the directors may regulate their proceedings as they think fit.

#### **Calling meetings**

- 21.2 Any director may call a meeting of directors at any time. The Secretary, if any, must call a meeting of the directors if requested to do so by a director.

#### **Notice of meetings**

- 21.3 Every director shall be given notice of a meeting, although a director may waive retrospectively the requirement to be given notice. Notice may be oral. Attendance at a meeting without written objection shall be deemed to be a waiver of such notice requirement.

#### **Period of notice**

- 21.4 At least five Clear Days' notice of a meeting of directors must be given to directors. A meeting may be convened on shorter notice with the consent of all directors.

#### **Use of technology**

- 21.5 A director may participate in a meeting of directors through the medium of conference telephone, video or any other form of communications equipment providing all persons participating in the meeting are able to hear and speak to each other throughout the meeting.
- 21.6 A director participating in this way is deemed to be present in person at the meeting.

#### **Place of meetings**

- 21.7 If all the directors participating in a meeting are not in the same place, they may decide that the meeting is to be treated as taking place wherever any of them is.

**Quorum**

- 21.8 The quorum for the transaction of business at a meeting of directors shall be two unless the directors fix some other number or unless the Company has only one director.

**Voting**

- 21.9 A question which arises at a board meeting shall be decided by a majority of votes. If votes are equal the chairman may, if he wishes, exercise a casting vote.

**Validity**

- 21.10 Anything done at a meeting of directors is unaffected by the fact that it is later discovered that any person was not properly appointed, or had ceased to be a director, or was otherwise not entitled to vote.

**Recording of dissent**

- 21.11 A director present at a meeting of directors shall be presumed to have assented to any action taken at that meeting unless:
- (a) his dissent is entered in the minutes of the meeting; or
  - (b) he has filed with the meeting before it is concluded signed dissent from that action; or
  - (c) he has forwarded to the Company as soon as practical following the conclusion of that meeting signed dissent.

A director who votes in favour of an action is not entitled to record his dissent to it.

**Written resolutions**

- 21.12 The directors may pass a resolution in writing without holding a meeting if all directors sign a document or sign several documents in the like form each signed by one or more of those directors.
- 21.13 Despite the foregoing, a resolution in writing signed by a validly appointed alternate director or by a validly appointed proxy need not also be signed by the appointing director. If a written resolution is signed personally by the appointing director, it need not also be signed by his alternate or proxy.
- 21.14 Such written resolution shall be as effective as if it had been passed at a meeting of the directors duly convened and held; and it shall be treated as having been passed on the day and at the time that the last director signs.

### **Sole director's minute**

21.15 Where a sole director signs a minute recording his decision on a question, that record shall constitute the passing of a resolution in those terms.

### **22. Permissible directors' interests and disclosure**

#### **Permissible interests subject to disclosure**

- 22.1 Save as expressly permitted by these Articles or as set out below, a director may not have a direct or indirect interest or duty which conflicts or may possibly conflict with the interests of the Company.
- 22.2 If, notwithstanding the prohibition in the preceding Article, a director discloses to his fellow directors the nature and extent of any material interest or duty in accordance with the next Article, he may:
- (a) be a party to, or otherwise interested in, any transaction or arrangement with the Company or in which the Company is or may otherwise be interested; or
  - (b) be interested in another body corporate promoted by the Company or in which the Company is otherwise interested. In particular, the director may be a director, secretary or officer of, or employed by, or be a party to any transaction or arrangement with, or otherwise interested in, that other body corporate.
- 22.3 Such disclosure may be made at a meeting of the board or otherwise (and, if otherwise, it must be made in writing). The director must disclose the nature and extent of his direct or indirect interest in or duty in relation to a transaction or arrangement or series of transactions or arrangements with the Company or in which the Company has any material interest.
- 22.4 If a director has made disclosure in accordance with the preceding Article, then he shall not, by reason only of his office, be accountable to the Company for any benefit that he derives from any such transaction or arrangement or from any such office or employment or from any interest in any such body corporate, and no such transaction or arrangement shall be liable to be avoided on the ground of any such interest or benefit.

#### **Notification of interests**

22.5 For the purposes of the preceding Articles:

- (a) a general notice that a director gives to the other directors that he is to be regarded as having an interest of the nature and extent specified in the notice in any transaction or arrangement in which a specified person or class of persons is interested shall be deemed to be a disclosure that he has an interest in or duty in relation to any such transaction of the nature and extent so specified; and

- (b) an interest of which a director has no knowledge and of which it is unreasonable to expect him to have knowledge shall not be treated as an interest of his.

**Voting where a director is interested in a matter**

- 22.6 A director may vote at a meeting of directors on any resolution concerning a matter in which that director has an interest or duty, whether directly or indirectly, so long as that director discloses any material interest pursuant to these Articles. The director shall be counted towards a quorum of those present at the meeting. If the director votes on the resolution, his vote shall be counted.
- 22.7 Where proposals are under consideration concerning the appointment of two or more directors to offices or employment with the Company or any body corporate in which the Company is interested, the proposals may be divided and considered in relation to each director separately and each of the directors concerned shall be entitled to vote and be counted in the quorum in respect of each resolution except that concerning his or her own appointment.

**23. Minutes**

The Company shall cause minutes to be made in books kept for the purpose in accordance with the Law.

**24. Accounts and audit**

**Accounting and other records**

- 24.1 The directors must ensure that proper accounting and other records are kept, and that accounts and associated reports are distributed in accordance with the requirements of the Law.

**No automatic right of inspection**

- 24.2 Members are only entitled to inspect the Company's records if they are expressly entitled to do so by law, or by resolution made by the directors or passed by Ordinary Resolution.

**Sending of accounts and reports**

- 24.3 The Company's accounts and associated directors' report or auditor's report that are required or permitted to be sent to any person pursuant to any law shall be treated as properly sent to that person if:
  - (a) they are sent to that person in accordance with the notice provisions: or

- (b) they are published on a website providing that person is given separate notice of:
  - (i) the fact that publication of the documents has been published on the website;
  - (ii) the address of the website; and
  - (iii) the place on the website where the documents may be accessed; and
  - (iv) how they may be accessed.

24.4 If, for any reason, a person notifies the Company that he is unable to access the website, the Company must, as soon as practicable, send the documents to that person by any other means permitted by these Articles. This, however, will not affect when that person is taken to have received the documents under the next Article.

Time of receipt if documents are published on a website

24.5 Documents sent by being published on a website in accordance with the preceding two Articles are only treated as sent at least five Clear Days before the date of the meeting at which they are to be laid if:

- (a) the documents are published on the website throughout a period beginning at least five Clear Days before the date of the meeting and ending with the conclusion of the meeting; and
- (b) the person is given at least five Clear Days' notice of the hearing.

**Validity despite accidental error in publication on website**

24.6 If, for the purpose of a meeting, documents are sent by being published on a website in accordance with the preceding Articles, the proceedings at that meeting are not invalidated merely because:

- (a) those documents are, by accident, published in a different place on the website to the place notified; or
- (b) they are published for part only of the period from the date of notification until the conclusion of that meeting.

**Audit**

24.7 The directors may appoint an Auditor of the Company who shall hold office on such terms as the directors determine.

- 24.8 Without prejudice to the freedom of the directors to establish any other committee, if the Shares (or depositary receipts therefor) are listed or quoted on the Designated Stock Exchange, and if required by the Designated Stock Exchange, the directors shall establish and maintain an Audit Committee as a committee of the directors and shall adopt a formal written Audit Committee charter and review and assess the adequacy of the formal written charter on an annual basis. The composition and responsibilities of the Audit Committee shall comply with the rules and regulations of the SEC and the Designated Stock Exchange. The Audit Committee shall meet at least once every financial quarter, or more frequently as circumstances dictate.
- 24.9 If the Shares are listed or quoted on the Designated Stock Exchange, the Company shall conduct an appropriate review of all related party transactions on an ongoing basis and shall utilise the Audit Committee for the review and approval of potential conflicts of interest.
- 24.10 The remuneration of the Auditor shall be fixed by the Audit Committee (if one exists).
- 24.11 If the office of Auditor becomes vacant by resignation or death of the Auditor, or by his becoming incapable of acting by reason of illness or other disability at a time when his services are required, the directors shall fill the vacancy and determine the remuneration of such Auditor.
- 24.12 Every Auditor of the Company shall have a right of access at all times to the books and accounts and vouchers of the Company and shall be entitled to require from the directors and officers of the Company such information and explanation as may be necessary for the performance of the duties of the Auditor.
- 24.13 Auditors shall, if so required by the directors, make a report on the accounts of the Company during their tenure of office at the next annual general meeting following their appointment in the case of a company which is registered with the Registrar of Companies as an ordinary company, and at the next extraordinary general meeting following their appointment in the case of a company which is registered with the Registrar of Companies as an exempted company, and at any other time during their term of office, upon request of the directors or any general meeting of the Members.
- 24.14 Any payment made to members of the Audit Committee (if one exists) shall require the review and approval of the directors, with any director interested in such payment abstaining from such review and approval.
- 24.15 The Audit Committee shall monitor compliance with the terms of the IPO and, if any non-compliance is identified, the Audit Committee shall be charged with the responsibility to take all action necessary to rectify such non-compliance or otherwise cause compliance with the terms of the IPO.

**25. Financial year**

Unless the directors otherwise specify, the financial year of the Company:

- (a) shall end on 31st December in the year of its incorporation and each following year; and
- (b) shall begin when it was incorporated and on 1st January each following year.

**26. Record dates**

Except to the extent of any conflicting rights attached to Shares, the directors may fix any time and date as the record date for:

- (a) calling a general meeting;
- (b) declaring or paying a dividend;
- (c) making or issuing an allotment of Shares; or
- (d) conducting any other business required pursuant to these Articles.

The record date may be before or after the date on which a dividend, allotment or issue is declared, paid or made.

**27. Dividends**

**Declaration of dividends by Members**

- 27.1 Subject to the provisions of the Law, the Company may by Ordinary Resolution declare dividends in accordance with the respective rights of the Members but no dividend shall exceed the amount recommended by the directors.

**Payment of interim dividends and declaration of final dividends by directors**

- 27.2 The directors may pay interim dividends or declare final dividends in accordance with the respective rights of the Members if it appears to them that they are justified by the financial position of the Company and that such dividends may lawfully be paid.
- 27.3 Subject to the provisions of the Law, in relation to the distinction between interim dividends and final dividends, the following applies:
- (a) Upon determination to pay a dividend or dividends described as interim by the directors in the dividend resolution, no debt shall be created by the declaration until such time as payment is made.
  - (b) Upon declaration of a dividend or dividends described as final by the directors in the dividend resolution, a debt shall be created immediately following the declaration, the due date to be the date the dividend is stated to be payable in the resolution.

If the resolution fails to specify whether a dividend is final or interim, it shall be assumed to be interim.

27.4 In relation to Shares carrying differing rights to dividends or rights to dividends at a fixed rate, the following applies:

- (a) If the share capital is divided into different classes, the directors may pay dividends on Shares which confer deferred or non-preferred rights with regard to dividends as well as on Shares which confer preferential rights with regard to dividends but no dividend shall be paid on Shares carrying deferred or non-preferred rights if, at the time of payment, any preferential dividend is in arrears.
- (b) The directors may also pay, at intervals settled by them, any dividend payable at a fixed rate if it appears to them that there are sufficient funds of the Company lawfully available for distribution to justify the payment.
- (c) If the directors act in good faith, they shall not incur any liability to the Members holding Shares conferring preferred rights for any loss those Members may suffer by the lawful payment of the dividend on any Shares having deferred or non-preferred rights.

#### **Apportionment of dividends**

27.5 Except as otherwise provided by the rights attached to Shares, all dividends shall be declared and paid according to the amounts paid up on the Shares on which the dividend is paid. All dividends shall be apportioned and paid proportionately to the amount paid up on the Shares during the time or part of the time in respect of which the dividend is paid. If a Share is issued on terms providing that it shall rank for dividend as from a particular date, that Share shall rank for dividend accordingly.

#### **Right of set off**

27.6 The directors may deduct from a dividend or any other amount payable to a person in respect of a Share any amount due by that person to the Company on a call or otherwise in relation to a Share.

#### **Power to pay other than in cash**

27.7 If the directors so determine, any resolution declaring a dividend may direct that it shall be satisfied wholly or partly by the distribution of assets. If a difficulty arises in relation to the distribution, the directors may settle that difficulty in any way they consider appropriate. For example, they may do any one or more of the following:

- (a) issue fractional Shares;
- (b) fix the value of assets for distribution and make cash payments to some Members on the footing of the value so fixed in order to adjust the rights of Members; and
- (c) vest some assets in trustees.

**How payments may be made**

27.8 A dividend or other monies payable on or in respect of a Share may be paid in any of the following ways:

- (a) if the Member holding that Share or other person entitled to that Share nominates a bank account for that purpose - by wire transfer to that bank account; or
- (b) by cheque or warrant sent by post to the registered address of the Member holding that Share or other person entitled to that Share.

27.9 For the purpose of paragraph (a) of the preceding Article, the nomination may be in writing or in an Electronic Record and the bank account nominated may be the bank account of another person. For the purpose of paragraph (b) of the preceding Article, subject to any Applicable Law or regulation, the cheque or warrant shall be made to the order of the Member holding that Share or other person entitled to the Share or to his nominee, whether nominated in writing or in an Electronic Record, and payment of the cheque or warrant shall be a good discharge to the Company.

27.10 If two or more persons are registered as the holders of the Share or are jointly entitled to it by reason of the death or bankruptcy of the registered holder (Joint Holders), a dividend (or other amount) payable on or in respect of that Share may be paid as follows:

- (a) to the registered address of the Joint Holder of the Share who is named first on the Register of Members or to the registered address of the deceased or bankrupt holder, as the case may be; or
- (b) to the address or bank account of another person nominated by the Joint Holders, whether that nomination is in writing or in an Electronic Record.

27.11 Any Joint Holder of a Share may give a valid receipt for a dividend (or other amount) payable in respect of that Share.

**Dividends or other moneys not to bear interest in absence of special rights**

27.12 Unless provided for by the rights attached to a Share, no dividend or other monies payable by the Company in respect of a Share shall bear interest.

#### **Dividends unable to be paid or unclaimed**

27.13 If a dividend cannot be paid to a Member or remains unclaimed within six weeks after it was declared or both, the directors may pay it into a separate account in the Company's name. If a dividend is paid into a separate account, the Company shall not be constituted trustee in respect of that account and the dividend shall remain a debt due to the Member.

27.14 A dividend that remains unclaimed for a period of six years after it became due for payment shall be forfeited to, and shall cease to remain owing by, the Company.

#### **28. Capitalisation of profits**

##### **Capitalisation of profits or of any share premium account or capital redemption reserve**

28.1 The directors may resolve to capitalise:

- (a) any part of the Company's profits not required for paying any preferential dividend (whether or not those profits are available for distribution); or
- (b) any sum standing to the credit of the Company's share premium account or capital redemption reserve, if any.

The amount resolved to be capitalised must be appropriated to the Members who would have been entitled to it had it been distributed by way of dividend and in the same proportions. The benefit to each Member so entitled must be given in either or both of the following ways:

- (a) by paying up the amounts unpaid on that Member's Shares;
- (b) by issuing Fully Paid Shares, debentures or other securities of the Company to that Member or as that Member directs. The directors may resolve that any Shares issued to the Member in respect of partly paid Shares (Original Shares) rank for dividend only to the extent that the Original Shares rank for dividend while those Original Shares remain partly paid.

##### **Applying an amount for the benefit of members**

28.2 The amount capitalised must be applied to the benefit of Members in the proportions to which the Members would have been entitled to dividends if the amount capitalised had been distributed as a dividend.

28.3 Subject to the Law, if a fraction of a Share, a debenture, or other security is allocated to a Member, the directors may issue a fractional certificate to that Member or pay him the cash equivalent of the fraction.

**29. Share premium account directors to maintain share premium account**

29.1 The directors shall establish a share premium account in accordance with the Law. They shall carry to the credit of that account from time to time an amount equal to the amount or value of the premium paid on the issue of any Share or capital contributed or such other amounts required by the Law.

**Debits to share premium account**

29.2 The following amounts shall be debited to any share premium account:

- (a) on the redemption or purchase of a Share, the difference between the nominal value of that Share and the redemption or purchase price; and
- (b) any other amount paid out of a share premium account as permitted by the Law.

29.3 Notwithstanding the preceding Article, on the redemption or purchase of a Share, the directors may pay the difference between the nominal value of that Share and the redemption purchase price out of the profits of the Company or, as permitted by the Law, out of capital.

**30. Seal**

**Company seal**

30.1 The Company may have a seal if the directors so determine.

**Duplicate seal**

30.2 Subject to the provisions of the Law, the Company may also have a duplicate seal or seals for use in any place or places outside the Islands. Each duplicate seal shall be a facsimile of the original seal of the Company. However, if the directors so determine, a duplicate seal shall have added on its face the name of the place where it is to be used.

**When and how seal is to be used**

30.3 A seal may only be used by the authority of the directors. Unless the directors otherwise determine, a document to which a seal is affixed must be signed in one of the following ways:

- (a) by a director (or his alternate) and the Secretary; or
- (b) by a single director (or his alternate).

**If no seal is adopted or used**

30.4 If the directors do not adopt a seal, or a seal is not used, a document may be executed in the following manner:

- (a) by a director (or his alternate) or any Officer to which authority has been delegated by resolution duly adopted by the directors; or
- (b) by a single director (or his alternate); or
- (c) in any other manner permitted by the Law.

**Power to allow non-manual signatures and facsimile printing of seal**

30.5 The directors may determine that either or both of the following applies:

- (a) that the seal or a duplicate seal need not be affixed manually but may be affixed by some other method or system of reproduction;
- (b) that a signature required by these Articles need not be manual but may be a mechanical or Electronic Signature.

**Validity of execution**

30.6 If a document is duly executed and delivered by or on behalf of the Company, it shall not be regarded as invalid merely because, at the date of the delivery, the Secretary, or the director, or other Officer or person who signed the document or affixed the seal for and on behalf of the Company ceased to be the Secretary or hold that office and authority on behalf of the Company.

**31. Indemnity**

**Indemnity**

31.1 To the extent permitted by Applicable Law, the Company shall indemnify each existing or former Secretary, director (including alternate director), and other Officer of the Company (including an investment adviser or an administrator or liquidator) and their personal representatives against:

- (a) all actions, proceedings, costs, charges, expenses, losses, damages or liabilities incurred or sustained by the existing or former Secretary or Officer in or about the conduct of the Company's business or affairs or in the execution or discharge of the existing or former Secretary's or Officer's duties, powers, authorities or discretions; and
- (b) without limitation to paragraph (a), all costs, expenses, losses or liabilities incurred by the existing or former Secretary or Officer in defending (whether successfully or otherwise) any civil, criminal, administrative or investigative proceedings (whether threatened, pending or completed) concerning the Company or its affairs in any court or tribunal, whether in the Islands or elsewhere.

No such existing or former Secretary or Officer, however, shall be indemnified in respect of any matter arising out of his own actual fraud, wilful default or wilful neglect.

31.2 To the extent permitted by Applicable Law, the Company may make a payment, or agree to make a payment, whether by way of advance, loan or otherwise, for any legal costs incurred by an existing or former Secretary or Officer of the Company in respect of any matter identified in paragraph (a) or paragraph (b) of the preceding Article on condition that the Secretary or Officer must repay the amount paid by the Company to the extent that it is ultimately found not liable to indemnify the Secretary or that Officer for those legal costs.

### **Release**

31.3 To the extent permitted by Applicable Law, the Company may by Special Resolution release any existing or former director (including alternate director), Secretary or other Officer of the Company from liability for any loss or damage or right to compensation which may arise out of or in connection with the execution or discharge of the duties, powers, authorities or discretions of his office; but there may be no release from liability arising out of or in connection with that person's own actual fraud, wilful default or wilful neglect.

### **Insurance**

31.4 To the extent permitted by Applicable Law, the Company may pay, or agree to pay, a premium in respect of a contract insuring each of the following persons against risks determined by the directors, other than liability arising out of that person's own dishonesty:

- (a) an existing or former director (including alternate director), Secretary or Officer or auditor of:
  - (i) the Company;
  - (ii) a company which is or was a subsidiary of the Company;
  - (iii) a company in which the Company has or had an interest (whether direct or indirect); and

- (c) the terms of that resolution are notified to the Members for the time being and, if applicable, to those directors who were absent from the meeting at which the resolution was passed.

If the resolution is revoked or varied, the revocation or variation shall only become effective when its terms have been similarly notified.

32.3 A notice may not be given by Electronic Record to a person other than the Company unless the recipient has notified the giver of an Electronic address to which notice may be sent.

**Persons authorised to give notices**

32.4 A notice by either the Company or a Member pursuant to these Articles may be given on behalf of the Company or a Member by a director or company secretary of the Company or a Member.

**Delivery of written notices**

32.5 Save where these Articles provide otherwise, a notice in writing may be given personally to the recipient, or left at (as appropriate) the Member's or director's registered address or the Company's registered office, or posted to that registered address or registered office.

**Joint holders**

32.6 Where Members are joint holders of a Share, all notices shall be given to the Member whose name first appears in the Register of Members.

32.10 A notice given in writing shall be deemed sent if the giver can provide proof that the envelope containing the notice was properly addressed, pre-paid and posted, or that the written notice was otherwise properly transmitted to the recipient.

**Giving notice to a deceased or bankrupt Member**

32.11 A notice may be given by the Company to the persons entitled to a Share in consequence of the death or bankruptcy of a Member by sending or delivering it, in any manner authorised by these Articles for the giving of notice to a Member, addressed to them by name, or by the title of representatives of the deceased, or trustee of the bankrupt or by any like description, at the address, if any, supplied for that purpose by the persons claiming to be so entitled.

32.12 Until such an address has been supplied, a notice may be given in any manner in which it might have been given if the death or bankruptcy had not occurred.

**Date of giving notices**

32.13 A notice is given on the date identified in the following table.

**Saving provision**

32.14 None of the preceding notice provisions shall derogate from these Articles about the delivery of written resolutions of directors and written resolutions of Members.

**33. Authentication of Electronic Records**

**Application of Articles**

33.1 Without limitation to any other provision of these Articles, any notice, written resolution or other document under these Articles that is sent by Electronic means by a Member, or by the Secretary, or by a director or other Officer of the Company, shall be deemed to be authentic if either Article 33.2 or Article 33.4 applies.

**Authentication of documents sent by Members by Electronic means**

33.2 An Electronic Record of a notice, written resolution or other document sent by Electronic means by or on behalf of one or more Members shall be deemed to be authentic if the following conditions are satisfied:

- (a) the Member or each Member, as the case may be, signed the original document, and for this purpose Original Document includes several documents in like form signed by one or more of those Members; and
- (b) the Electronic Record of the Original Document was sent by Electronic means by, or at the direction of, that Member to an address specified in accordance with these Articles for the purpose for which it was sent; and
- (c) Article 33.7 does not apply.

33.3 For example, where a sole Member signs a resolution and sends the Electronic Record of the original resolution, or causes it to be sent, by facsimile transmission to the address in these Articles specified for that purpose, the facsimile copy shall be deemed to be the written resolution of that Member unless Article 33.7 applies.

**Authentication of document sent by the Secretary or Officers of the Company by Electronic means**

33.4 An Electronic Record of a notice, written resolution or other document sent by or on behalf of the Secretary or an Officer or Officers of the Company shall be deemed to be authentic if the following conditions are satisfied:

- (a) the Secretary or the Officer or each Officer, as the case may be, signed the original document, and for this purpose Original Document includes several documents in like form signed by the Secretary or one or more of those Officers; and
- (b) the Electronic Record of the Original Document was sent by Electronic means by, or at the direction of, the Secretary or that Officer to an address specified in accordance with these Articles for the purpose for which it was sent; and
- (c) Article 33.7 does not apply.

This Article applies whether the document is sent by or on behalf of the Secretary or Officer in his own right or as a representative of the Company.

33.5 For example, where a sole director signs a resolution and scans the resolution, or causes it to be scanned, as a PDF version which is attached to an email sent to the address in these Articles specified for that purpose, the PDF version shall be deemed to be the written resolution of that director unless Article 33.7 applies.

**Manner of signing**

33.6 For the purposes of these Articles about the authentication of Electronic Records, a document will be taken to be signed if it is signed manually or in any other manner permitted by these Articles.

**Saving provision**

33.7 A notice, written resolution or other document under these Articles will not be deemed to be authentic if the recipient, acting reasonably:

- (a) believes that the signature of the signatory has been altered after the signatory had signed the original document; or

- (b) believes that the original document, or the Electronic Record of it, was altered, without the approval of the signatory, after the signatory signed the original document; or
- (c) otherwise doubts the authenticity of the Electronic Record of the document and the recipient promptly gives notice to the sender setting the grounds of its objection. If the recipient invokes this Article, the sender may seek to establish the authenticity of the Electronic Record in any way the sender thinks fit.

#### **34. Transfer by way of continuation**

34.1 The Company may, by Special Resolution, resolve to be registered by way of continuation in a jurisdiction outside:

- (a) the Islands; or
- (b) such other jurisdiction in which it is, for the time being, incorporated, registered or existing.

34.2 To give effect to any resolution made pursuant to the preceding Article, the directors may cause the following:

- (a) an application be made to the Registrar of Companies to deregister the Company in the Islands or in the other jurisdiction in which it is for the time being incorporated, registered or existing; and
- (b) all such further steps as they consider appropriate to be taken to effect the transfer by way of continuation of the Company.

#### **35. Winding up**

##### **Distribution of assets in specie**

35.1 If the Company is wound up, the Members may, subject to these Articles and any other sanction required by the Law, pass a Special Resolution allowing the liquidator to do either or both of the following:

- (a) to divide in specie among the Members the whole or any part of the assets of the Company and, for that purpose, to value any assets and to determine how the division shall be carried out as between the Members or different classes of Members;
- (b) to vest the whole or any part of the assets in trustees for the benefit of Members and those liable to contribute to the winding up.

##### **No obligation to accept liability**

35.2 No Member shall be compelled to accept any assets if an obligation attaches to them.

##### **The directors are authorised to present a winding up petition**

35.3 The directors have the authority to present a petition for the winding up of the Company to the Grand Court of the Cayman Islands on behalf of the Company without the sanction of a resolution passed at a general meeting.

#### **36. Amendment of Memorandum and Articles**

##### **Power to change name or amend Memorandum**

36.1 Subject to the Law, the Company may, by Special Resolution:

- (a) change its name; or
- (b) change the provisions of its Memorandum with respect to its objects, powers or any other matter specified in the Memorandum.

##### **Power to amend these Articles**

36.2 Subject to the Law and as provided in these Articles, the Company may, by Special Resolution, amend these Articles in whole or in part.

#### **37. Mergers and Consolidations**

The Company shall have the power to merge or consolidate with one or more constituent companies (as defined in the Law) upon such terms as the directors may determine and (to the extent required by the Law) with the approval of a Special Resolution.

#### **38. Business Combination**

38.1 Notwithstanding any other provision of these Articles, this Article 38 shall apply during the period commencing upon the adoption of these Articles and terminating upon the first to occur of the consummation of any Business Combination and the distribution of the Trust Account pursuant to Article 38.10. In the event of a conflict between this Article 38 and any other Articles, the provisions of this Article 38 shall prevail and this Article may not be amended prior to the consummation of a Business Combination without a Special Resolution.

38.2 Prior to the consummation of any Business Combination, the Company shall either:

- (a) submit such Business Combination to its Members for approval; or

- (b) provide Members with the opportunity to have their Shares repurchased by means of a tender offer (a **Tender Offer**) for a per-Share repurchase price payable in cash, equal to the aggregate amount then on deposit in the Trust Account, calculated as of two business days prior to the consummation of such Business Combination, including interest earned on the funds held in the Trust Account not previously released to the Company to pay its income taxes, if any, divided by the number of Public Shares then in issue, provided that the Company shall not repurchase Public Shares in an amount that would cause the Company's net tangible assets to be less than US\$5,000,001.

- 38.3 If the Company initiates any Tender Offer in accordance with Rule 13e-4 and Regulation 14E of the Exchange Act in connection with a proposed Business Combination, it shall file Tender Offer documents with the SEC prior to completing such Business Combination which contain substantially the same financial and other information about such Business Combination and the redemption rights as is required under Regulation 14A of the Exchange Act.
- 38.4 If, alternatively, the Company holds a general meeting to approve a proposed Business Combination, the Company will conduct any redemptions in conjunction with a proxy solicitation pursuant to Regulation 14A of the Exchange Act, and not pursuant to the Tender Offer rules, and file proxy materials with the SEC.
- 38.5 At a general meeting called for the purposes of approving a Business Combination pursuant to this Article, in the event that such Business Combination is approved by Ordinary Resolution, the Company shall be authorised to consummate such Business Combination.
- 38.6 Any Member holding Public Shares who is not a Founder, Officer or director may, contemporaneously with any vote on a Business Combination, elect to have their Public Shares redeemed for cash (the **IPO Redemption**), provided that no such Member acting together with any Affiliate of his or any other person with whom he is acting in concert or as a partnership, syndicate, or other group for the purposes of acquiring, holding, or disposing of Shares may exercise this redemption right with respect to more than 15% of the Public Shares without the Company's prior consent, and provided further that any holder that holds Public Shares beneficially through a nominee must identify itself to the Company in connection with any redemption election in order to validly redeem such Public Shares. In connection with any vote held to approve a proposed Business Combination, holders of Public Shares seeking to exercise their redemption rights will be required to either tender their certificates (if any) to the Company's transfer agent or to deliver their shares to the transfer agent electronically using The Depository Trust Company's DWAC (Deposit/Withdrawal At Custodian) System, at the holder's option, in each case up to two business days prior to the initially scheduled vote on the proposal to approve a Business Combination. If so demanded, the Company shall pay any such redeeming Member, regardless of whether he is voting for or against such proposed Business Combination or abstains from voting, a per-Share redemption price payable in cash, equal to the aggregate amount then on deposit in the Trust Account calculated as of two business days prior to the consummation of a Business Combination, including interest earned on the Trust Account not previously released to the Company to pay its income taxes, if any, divided by the number of Public Shares then in issue (such redemption price being referred to herein as the **Redemption Price**), provided that the Company shall not repurchase Public Shares in an amount that would cause the Company's net tangible assets to be less than US\$5,000,001.

38.7 The Redemption Price shall be paid promptly following the consummation of the relevant Business Combination. If the proposed Business Combination is not approved or completed for any reason then such redemptions shall be cancelled and share certificates (if any) returned to the relevant Members as appropriate.

38.8 In the event that the Company does not consummate a Business Combination by twenty-four months after the closing of the IPO, or such later time as the Members of the Company may approve in accordance with these Articles, the Company shall:

- (a) cease all operations except for the purpose of winding up;
- (b) as promptly as reasonably possible but not more than ten business days thereafter, redeem the Public Shares, at a per-Share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company to pay income taxes, if any (less up to US\$100,000 of interest to pay dissolution expenses), divided by the number of the Public Shares then in issue, which redemption will completely extinguish public Members' rights as Members (including the right to receive further liquidation distributions, if any); and
- (c) as promptly as reasonably possible following such redemption, subject to the approval of the Company's remaining Members and the directors, liquidate and dissolve,

subject in each case, to its obligations under Cayman Islands law to provide for claims of creditors and in all cases subject to the other requirements of Applicable Law. If the Company shall wind up for any other reason prior to the consummation of a Business Combination, the Company shall, as promptly as reasonably possible but not more than ten business days thereafter, follow the foregoing procedures set out in this Article 38.8 with respect to the liquidation of the Trust Account, subject to its obligations under Cayman Islands law to provide for claims of creditors and in all cases subject to the other requirements of Applicable Law.

38.9 In the event that any amendment is made to these Articles:

- (a) that would modify the substance or timing of the Company's obligation to provide holders of Public Shares the right to:
  - (i) have their shares redeemed or repurchased in connection with a Business Combination pursuant to Articles 38.2(b) or 38.6; or
  - (ii) redeem 100% of the Public Shares if the Company has not consummated an initial Business Combination within twenty-four months after the closing of the IPO pursuant to Article 38.8; or

(b) with respect to any other provision relating to the rights of holders of Public Shares,

each holder of Public Shares who is not a Founder, Officer or director shall be provided with the opportunity to redeem their Public Shares upon the approval of any such amendment (an **Amendment Redemption**) at a per-Share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account not previously released to the Company to pay income taxes, if any, divided by the number of Public Shares then in issue.

38.10 Except for the withdrawal of interest to pay income taxes, if any, none of the funds held in the Trust Account shall be released from the Trust Account:

(a) to the Company, until completion of any Business Combination; or

(b) to the Members holding Public Shares, until the earliest of:

(i) a repurchase of Shares by means of a Tender Offer pursuant to Article 38.2(b);

(ii) an IPO Redemption pursuant to Article 38.6;

(iii) a distribution of the Trust Account pursuant to Article 38.8; or

(iv) an Amendment Redemption pursuant to Article 38.9.

In no other circumstance shall a holder of Public Shares have any right or interest of any kind in the Trust Account.

38.11 After the issue of Public Shares (including pursuant to the Over-Allotment Option), and prior to the consummation of a Business Combination, the directors shall not issue additional Shares or any other securities that would entitle the holders thereof to:

(a) receive funds from the Trust Account; or

(b) vote as a class with the Public Shares:

(i) on a Business Combination or on any other proposal presented to Members prior to or in connection with the completion of a Business Combination; or

- (ii) to approve an amendment to these Articles to:
  - (A) extend the time the Company has to consummate a Business Combination beyond twenty-four months after the closing of the IPO or twenty-seven months after the closing of the IPO if the Company has executed a letter of intent, agreement in principle or definitive agreement for an initial Business Combination within twenty-four months from the closing of IPO; or
  - (B) amend the foregoing provisions of these Articles.
- 38.12 The Company must complete one or more Business Combinations having an aggregate fair market value of at least 80% of the net assets held in the Trust Account (excluding the amount of deferred underwriting discounts held in the Trust Account and taxes payable on the interest earned on the Trust Account) at the time of the Company's signing the agreement to enter into a Business Combination. An initial Business Combination must not be effectuated solely with another blank cheque company or a similar company with nominal operations.
- 38.13 The uninterested Independent Directors shall approve any transaction or transactions between the Company and any of the following parties:
  - (a) any Member owning an interest in the voting power of the Company that gives such Member a significant influence over the Company; and
  - (b) any director or Officer of the Company and any Affiliate or relative of such director or Officer.
- 38.14 A director may vote in respect of any Business Combination in which such director has a conflict of interest with respect to the evaluation of such Business Combination. Such director must disclose such interest or conflict to the other directors.
- 38.15 The Company may enter into a Business Combination with a target business that is Affiliated with the Sponsor, a Founder, the directors of the Company or Officers. In the event the Company seeks to complete the Business Combination with a target that is Affiliated with the Sponsor, a Founder, Officers or directors, the Company, or a committee of Independent Directors, will obtain an opinion from an independent investment banking firm, which is a member of United States Financial Industry Regulatory Authority, or another independent valuation or accounting firm that such a Business Combination or transaction is fair to the Company from a financial point of view.

38.16 Any Business Combination must be approved by the a majority of the Independent Directors.

### 39. Certain Tax Filings

39.1 Each Tax Filing Authorised Person and any such other person, acting alone, as any director shall designate from time to time, are authorised to file tax forms SS-4, W-8 BEN, W-8 IMY, W-9, 8832 and 2553 and such other similar tax forms as are customary to file with any US state or federal governmental authorities or foreign governmental authorities in connection with the formation, activities and/or elections of the Company and such other tax forms as may be approved from time to time by any director of the Company or an Officer. The Company further ratifies and approves any such filing made by any Tax Filing Authorised Person or such other person prior to the date of these Articles.

### 40. Business Opportunities

40.1 In recognition and anticipation of the facts that: (a) directors, managers, officers, members, partners, managing members, employees and/or agents of one or more members of the Investor Group (each of the foregoing, an “**Investor Group Related Person**”) may serve as directors of the Company and/or Officers; and (b) the Investor Group engages, and may continue to engage in the same or similar activities or related lines of business as those in which the Company, directly or indirectly, may engage and/or other business activities that overlap with or compete with those in which the Company, directly or indirectly, may engage, the provisions under this heading “Business Opportunities” are set forth to regulate and define the conduct of certain affairs of the Company as they may involve the Members and the Investor Group Related Persons, and the powers, rights, duties and liabilities of the Company and its Officers, directors and Members in connection therewith.

40.2 To the fullest extent permitted by Applicable Law, the Investor Group and the Investor Group Related Persons shall have no duty, except and to the extent expressly assumed by contract, to refrain from engaging directly or indirectly in the same or similar business activities or lines of business as the Company. To the fullest extent permitted by Applicable Law, the Company renounces any interest or expectancy of the Company in, or in being offered an opportunity to participate in, any potential transaction or matter which may be a corporate opportunity for either the Investor Group or the Investor Group Related Persons, on the one hand, and the Company, on the other. Except to the extent expressly assumed by contract, to the fullest extent permitted by Applicable Law, the Investor Group and the Investor Group Related Persons shall have no duty to communicate or offer any such corporate opportunity to the Company and shall not be liable to the Company or its Members for breach of any fiduciary duty as a Member, director of the Company and/or Officer solely by reason of the fact that such party pursues or acquires such corporate opportunity for itself, himself or herself, directs such corporate opportunity to another person, or does not communicate information regarding such corporate opportunity to the Company, unless such opportunity is expressly offered to such Investor Group Related Person solely in their capacity as an Officer or director of the Company and the opportunity is one the Company is permitted to complete on a reasonable basis.

40.3 Except as provided elsewhere in these Articles, the Company hereby renounces any interest or expectancy of the Company in, or in being offered an opportunity to participate in, any potential transaction or matter which may be a corporate opportunity for both the Company and the Investor Group, about which a director of the Company and/or Officer who is also an Investor Group Related Person acquires knowledge.

40.4 To the extent a court might hold that the conduct of any activity related to a corporate opportunity that is renounced in this Article to be a breach of duty to the Company or its Members, the Company hereby waives, to the fullest extent permitted by Applicable Law, any and all claims and causes of action that the Company may have for such activities. To the fullest extent permitted by Applicable Law, the provisions of this Article apply equally to activities conducted in the future and that have been conducted in the past.

A copy of the Warrant Agreement may be obtained by the holder hereof upon written request to the Company. Defined terms used in this Warrant Certificate but not defined herein shall have the meanings given to them in the Warrant Agreement.

Warrants may be exercised at any time during the Exercise Period set forth in the Warrant Agreement. The holder of Warrants evidenced by this Warrant Certificate may exercise them by surrendering this Warrant Certificate, with the form of Election to Purchase set forth hereon properly completed and executed, together with payment of the Exercise Price as specified in the Warrant Agreement (or through “cashless exercise” as provided for in the Warrant Agreement) at the principal corporate trust office of the Warrant Agent. The Warrant Agreement provides that upon the occurrence of certain events the number of Ordinary Shares issuable upon exercise of the Warrants set forth on the face hereof may, subject to certain conditions, be adjusted. If, upon exercise of a Warrant, the holder thereof would be entitled to receive a fractional interest in an Ordinary Share, the Company shall, upon exercise, round down to the nearest whole number of Ordinary Shares to be issued to the holder of the Warrant.

Warrant Certificates, when surrendered at the principal corporate trust office of the Warrant Agent by the Registered Holder thereof in person or by legal representative or attorney duly authorized in writing, may be exchanged, in the manner and subject to the limitations provided in the Warrant Agreement, but without payment of any service charge, for another Warrant Certificate or Warrant Certificates of like tenor evidencing in the aggregate a like number of Warrants.

Upon due presentation for registration of transfer of this Warrant Certificate at the office of the Warrant Agent a new Warrant Certificate or Warrant Certificates of like tenor and evidencing in the aggregate a like number of Warrants shall be issued to the transferee(s) in exchange for this Warrant Certificate, subject to the limitations provided in the Warrant Agreement, without charge except for any tax or other governmental charge imposed in connection therewith.

NOW, THEREFORE, in consideration of the mutual agreements herein contained, the parties hereto agree as follows:

1. Appointment of Warrant Agent. The Company hereby appoints the Warrant Agent to act as agent for the Company for the Warrants, and the Warrant Agent hereby accepts such appointment and agrees to perform the same in accordance with the terms and conditions set forth in this Agreement.

2. Warrants.

2.1. Form of Warrant. Each Warrant shall initially be issued in registered form only.

2.2. Effect of Countersignature. If a physical certificate is issued, unless and until countersigned by the Warrant Agent pursuant to this Agreement, a certificated Warrant shall be invalid and of no effect and may not be exercised by the holder thereof.

2.3. Registration.

2.3.1. Warrant Register. The Warrant Agent shall maintain books (the "**Warrant Register**"), for the registration of original issuance and the registration of transfer of the Warrants. Upon the initial issuance of the Warrants in book-entry form, the Warrant Agent shall issue and register the Warrants in the names of the respective holders thereof in such denominations and otherwise in accordance with instructions delivered to the Warrant Agent by the Company. Ownership of beneficial interests in the Public Warrants shall be shown on, and the transfer of such ownership shall be effected through, records maintained by institutions that have accounts with The Depository Trust Company (the "**Depository**") (such institution, with respect to a Warrant in its account, a "**Participant**").

If the Depository subsequently ceases to make its book-entry settlement system available for the Public Warrants, the Company may instruct the Warrant Agent regarding making other arrangements for book-entry settlement. In the event that the Public Warrants are not eligible for, or it is no longer necessary to have the Public Warrants available in, book-entry form, the Warrant Agent shall provide written instructions to the Depository to deliver to the Warrant Agent for cancellation each book-entry Public Warrant, and the Company shall instruct the Warrant Agent to deliver to the Depository definitive certificates in physical form evidencing such Warrants ("**Definitive Warrant Certificates**") which shall be in the form annexed hereto as Exhibit A.

Physical certificates, if issued, shall be signed by, or bear the facsimile signature of, the Chairman of the Board, Chief Executive Officer, Chief Financial Officer or other principal officer of the Company. In the event the person whose facsimile signature has been placed upon any Warrant shall have ceased to serve in the capacity in which such person signed the Warrant before such Warrant is issued, it may be issued with the same effect as if he or she had not ceased to be such at the date of issuance.

2.3.2. Registered Holder. Prior to due presentment for registration of transfer of any Warrant, the Company and the Warrant Agent may deem and treat the person in whose name such Warrant is registered in the Warrant Register (the “**Registered Holder**”) as the absolute owner of such Warrant and of each Warrant represented thereby, for the purpose of any exercise thereof, and for all other purposes, and neither the Company nor the Warrant Agent shall be affected by any notice to the contrary.

2.4. Detachability of Warrants. The Ordinary Shares and Public Warrants comprising the Units shall begin separate trading on the 52nd day following the date of the Prospectus or, if such 52nd day is not on a day, other than a Saturday, Sunday or federal holiday, on which banks in New York City are generally open for normal business (a “**Business Day**”), then on the immediately succeeding Business Day following such date, or earlier (the “**Detachment Date**”) with the consent of J.P. Morgan Securities LLC, but in no event shall the Ordinary Shares and the Public Warrants comprising the Units be separately traded until (A) the Company has filed a Current Report on Form 8-K with the Commission containing an audited balance sheet reflecting the receipt by the Company of the gross proceeds of the Offering, including the proceeds then received by the Company from the exercise by the underwriters of their right to purchase additional Units in the Offering (the “**Over-allotment Option**”), if the Over-allotment Option is exercised prior to the filing of the Current Report on Form 8-K, and (B) the Company issues a press release announcing when such separate trading shall begin.

2.5. Fractional Warrants. The Company shall not issue fractional Warrants other than as part of the Units, each of which is comprised of one Ordinary Share and one-third of one whole Public Warrant. If, upon the detachment of Public Warrants from the Units or otherwise, a holder of Warrants would be entitled to receive a fractional Warrant, the Company shall round down to the nearest whole number the number of Warrants to be issued to such holder.

2.6. Private Placement Warrants. The Private Placement Warrants shall be identical to the Public Warrants, except that so long as they are held by the Sponsor or any of its Permitted Transferees (as defined below) the Private Placement Warrants: (i) may be exercised for cash or on a “cashless basis,” pursuant to subsection 3.3.1(c) hereof, (ii) including the Ordinary Shares issuable upon exercise of the Private Placement Warrants, may not be transferred, assigned or sold until thirty (30) days after the completion by the Company of an initial Business Combination, (iii) shall not be redeemable by the Company pursuant to Section 6.1 hereof and (iv) shall only be redeemable by the Company pursuant to Section 6.2 if the Reference Value (as defined below) is less than \$18.00 per share (subject to adjustment in compliance with Section 4 hereof); provided, however, that in the case of (ii), the Private Placement Warrants and any Ordinary Shares issued upon exercise of the Private Placement Warrants may be transferred by the holders thereof:

(a) to the Company’s officers or directors, any affiliates or family members of any of the Company’s officers or directors, any members or partners of the Sponsor or their affiliates, any affiliates of the Sponsor, or any employees of such affiliates;

(b) in the case of an individual, by gift to a member of one of the individual’s immediate family or to a trust, the beneficiary of which is a member of the individual’s immediate family, an affiliate of such person or to a charitable organization;

- (c) in the case of an individual, by virtue of laws of descent and distribution upon death of the individual;
- (d) in the case of an individual, pursuant to a qualified domestic relations order;
- (e) by private sales or transfers made in connection with the consummation of the Company's Business Combination at prices no greater than the price at which the Private Placement Warrants or Ordinary Shares, as applicable, were originally purchased;
- (f) by virtue of the Sponsor's organizational documents upon liquidation or dissolution of the Sponsor;
- (g) to the Company for no value for cancellation in connection with the consummation of our initial Business Combination;
- (h) in the event of the Company's liquidation prior to the completion of its initial Business Combination; or
- (i) in the event of the Company's completion of a liquidation, merger, share exchange or other similar transaction which results in all of the public shareholders having the right to exchange their Ordinary Shares for cash, securities or other property subsequent to the completion of the Company's initial Business Combination;

provided, however, that, in the case of clauses (a) through (f), these permitted transferees (the "**Permitted Transferees**") must enter into a written agreement with the Company agreeing to be bound by the transfer restrictions in this Agreement.

### 3. Terms and Exercise of Warrants.

3.1. Warrant Price. Each whole Warrant shall entitle the Registered Holder thereof, subject to the provisions of such Warrant and of this Agreement, to purchase from the Company the number of Ordinary Shares stated therein, at the price of \$11.50 per share, subject to the adjustments provided in Section 4 hereof and in the last sentence of this Section 3.1. The term "**Warrant Price**" as used in this Agreement shall mean the price per share (including in cash or by payment of Warrants pursuant to a "cashless exercise," to the extent permitted hereunder) described in the prior sentence at which Ordinary Shares may be purchased at the time a Warrant is exercised. The Company in its sole discretion may lower the Warrant Price at any time prior to the Expiration Date (as defined below) for a period of not less than fifteen (15) Business Days (unless otherwise required by the Commission, any national securities exchange on which the Warrants are listed or applicable law); provided that the Company shall provide at least five (5) days' prior written notice of such reduction to Registered Holders of the Warrants; and provided further, that any such reduction shall be identical among all of the Warrants.

3.2. Duration of Warrants. A Warrant may be exercised only during the period (the "**Exercise Period**") (A) commencing on the later of: (i) the date that is thirty (30) days after the first date on which the Company completes a Business Combination, and (ii) the date that is twelve (12) months from the date of the closing of the Offering, and (B) terminating at the earliest to occur of (x) 5:00 p.m., New York City time on the date that is five (5) years after the date on which the Company completes its initial Business Combination, (y) the liquidation of the Company in accordance with the Company's amended and restated memorandum and articles of association, as amended from time to time, if the Company fails to complete a Business Combination, and (z) other than with respect to the Private Placement Warrants then held by the Sponsor or its Permitted Transferees with respect to a redemption pursuant to Section 6.1 hereof or, if the Reference Value equals or exceeds \$18.00 per share (subject to adjustment in compliance with Section 4 hereof), Section 6.2 hereof, 5:00 p.m., New York City time on the Redemption Date (as defined below) as provided in Section 6.3 hereof (the "**Expiration Date**"); provided, however, that the exercise of any Warrant shall be subject to the satisfaction of any applicable conditions, as set forth in subsection 3.3.2 below, with respect to an effective registration statement or a valid exemption therefrom being available. Except with respect to the right to receive the Redemption Price (as defined below) (other than with respect to a Private Placement Warrant then held by the Sponsor or its Permitted Transferees in connection with a redemption pursuant to Section 6.1 hereof or, if the Reference Value equals or exceeds \$18.00 per share (subject to adjustment in compliance with Section 4 hereof), Section 6.2 hereof) in the event of a redemption (as set forth in Section 6 hereof), each Warrant (other than a Private Placement Warrant then held by the Sponsor or its Permitted Transferees in the event of a redemption pursuant to Section 6.1 hereof or, if the Reference Value equals or exceeds \$18.00 per share (subject to adjustment in compliance with Section 4 hereof), Section 6.2 hereof) not exercised on or before the Expiration Date shall become void, and all rights thereunder and all rights in respect thereof under this Agreement shall cease at 5:00 p.m. New York City time on the Expiration Date. The Company in its sole discretion may extend the duration of the Warrants by delaying the Expiration Date; provided that the Company shall provide at least twenty (20) days prior written notice of any such extension to Registered Holders of the Warrants and, provided further that any such extension shall be identical in duration among all the Warrants.

3.3. Exercise of Warrants.

3.3.1. Payment. Subject to the provisions of the Warrant and this Agreement, a Warrant may be exercised by the Registered Holder thereof by delivering to the Warrant Agent at its corporate trust department (i) the Definitive Warrant Certificate evidencing the Warrants to be exercised, or, in the case of a Warrant represented by a book-entry, the Warrants to be exercised (the “**Book-Entry Warrants**”) on the records of the Depository to an account of the Warrant Agent at the Depository designated for such purposes in writing by the Warrant Agent to the Depository from time to time, (ii) an election to purchase (“**Election to Purchase**”) any Ordinary Shares pursuant to the exercise of a Warrant, properly completed and executed by the Registered Holder on the reverse of the Definitive Warrant Certificate or, in the case of a Book-Entry Warrant, properly delivered by the Participant in accordance with the Depository’s procedures, and (iii) the payment in full of the Warrant Price for each Ordinary Share as to which the Warrant is exercised and any and all applicable taxes due in connection with the exercise of the Warrant, the exchange of the Warrant for the Ordinary Shares and the issuance of such Ordinary Shares, as follows:

- Warrant Agent;
- (a) in lawful money of the United States, in good certified check or good bank draft payable to the order of the
  - (b) [Reserved];
  - (c) with respect to any Private Placement Warrant, so long as such Private Placement Warrant is held by the Sponsor or a Permitted Transferee, by surrendering the Warrants for that number of Ordinary Shares equal to (i) if in connection with a redemption of Private Placement Warrants pursuant to Section 6.2 hereof, as provided in Section 6.2 hereof with respect to a Make-Whole Exercise (as defined below) and (ii) in all other scenarios the quotient obtained by dividing (x) the product of the number of Ordinary Shares underlying the Warrants, multiplied by the excess of the “**Sponsor Exercise Fair Market Value**” (as defined in this subsection 3.3.1(c)) over the Warrant Price by (y) the Sponsor Exercise Fair Market Value. Solely for purposes of this subsection 3.3.1(c), the “**Sponsor Fair Market Value**” shall mean the average last reported sale price of the Ordinary Shares for the ten (10) trading days ending on the third (3<sup>rd</sup>) trading day prior to the date on which notice of exercise of the Private Placement Warrant is sent to the Warrant Agent;
  - (d) as provided in Section 6.2 hereof with respect to a Make-Whole Exercise; or
  - (e) as provided in Section 7.4 hereof.

3.3.2. Issuance of Ordinary Shares on Exercise. As soon as practicable after the exercise of any Warrant and the clearance of the funds in payment of the Warrant Price (if payment is pursuant to subsection 3.3.1(a)), the Company shall issue to the Registered Holder of such Warrant a book-entry position or certificate, as applicable, for the number of Ordinary Shares to which he, she or it is entitled, registered in such name or names as may be directed by him, her or it on the register of members of the Company, and if such Warrant shall not have been exercised in full, a new book-entry position or countersigned Warrant, as applicable, for the number of shares as to which such Warrant shall not have been exercised. Notwithstanding the foregoing, the Company shall not be obligated to deliver any Ordinary Shares pursuant to the exercise of a Warrant and shall have no obligation to settle such Warrant exercise unless a registration statement under the Securities Act with respect to the Ordinary Shares underlying the Public Warrants is then effective and a prospectus relating thereto is current, subject to the Company's satisfying its obligations under Section 7.4 or a valid exemption from registration is available. No Warrant shall be exercisable and the Company shall not be obligated to issue Ordinary Shares upon exercise of a Warrant unless the Ordinary Shares issuable upon such Warrant exercise have been registered, qualified or deemed to be exempt from registration or qualification under the securities laws of the state of residence of the Registered Holder of the Warrants. Subject to Section 4.5 of this Agreement, a Registered Holder of Warrants may exercise its Warrants only for a whole number of Ordinary Shares. The Company may require holders of Public Warrants to settle the Warrant on a "cashless basis" pursuant to Section 7.4. If, by reason of any exercise of Warrants on a "cashless basis", the holder of any Warrant would be entitled, upon the exercise of such Warrant, to receive a fractional interest in an Ordinary Share, the Company shall round down to the nearest whole number, the number of Ordinary Shares to be issued to such holder.

3.3.3. Valid Issuance. All Ordinary Shares issued upon the proper exercise of a Warrant in conformity with this Agreement shall be validly issued, fully paid and nonassessable.

3.3.4. Date of Issuance. Each person in whose name any book-entry position or certificate, as applicable, for Ordinary Shares is issued and who is registered in the register of members of the Company shall for all purposes be deemed to have become the holder of record of such Ordinary Shares on the date on which the Warrant, or book-entry position representing such Warrant, was surrendered and payment of the Warrant Price was made, irrespective of the date of delivery of such certificate in the case of a certificated Warrant, except that, if the date of such surrender and payment is a date when the register of members of the Company or book-entry system of the Warrant Agent are closed, such person shall be deemed to have become the holder of such shares at the close of business on the next succeeding date on which the share transfer books or book-entry system are open.

3.3.5. Maximum Percentage. A holder of a Warrant may notify the Company in writing in the event it elects to be subject to the provisions contained in this subsection 3.3.5; however, no holder of a Warrant shall be subject to this subsection 3.3.5 unless he, she or it makes such election. If the election is made by a holder, the Warrant Agent shall not effect the exercise of the holder's Warrant, and such holder shall not have the right to exercise such Warrant, to the extent that after giving effect to such exercise, such person (together with such person's affiliates), to the Warrant Agent's actual knowledge, would beneficially own in excess of 9.8% (the "**Maximum Percentage**") of the Ordinary Shares outstanding immediately after giving effect to such exercise. For purposes of the foregoing sentence, the aggregate number of Ordinary Shares beneficially owned by such person and its affiliates shall include the number of Ordinary Shares issuable upon exercise of the Warrant with respect to which the determination of such sentence is being made, but shall exclude Ordinary Shares that would be issuable upon (x) exercise of the remaining, unexercised portion of the Warrant beneficially owned by such person and its affiliates and (y) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company beneficially owned by such person and its affiliates (including, without limitation, any convertible notes or convertible preferred shares or warrants) subject to a limitation on conversion or exercise analogous to the limitation contained herein. Except as set forth in the preceding sentence, for purposes of this paragraph, beneficial ownership shall be calculated in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"). For purposes of the Warrant, in determining the number of outstanding Ordinary Shares, the holder may rely on the number of outstanding Ordinary Shares as reflected in (1) the Company's most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, Current Report on Form 8-K or other public filing with the Commission as the case may be, (2) a more recent public announcement by the Company or (3) any other notice by the Company or Continental Stock Transfer & Trust Company, as transfer agent (in such capacity, the "**Transfer Agent**"), setting forth the number of Ordinary Shares outstanding. For any reason at any time, upon the written request of the holder of the Warrant, the Company shall, within two (2) Business Days, confirm orally and in writing to such holder the number of Ordinary Shares then outstanding. In any case, the number of issued and outstanding Ordinary Shares shall be determined after giving effect to the conversion or exercise of equity securities of the Company by the holder and its affiliates since the date as of which such number of issued and outstanding Ordinary Shares was reported. By written notice to the Company, the holder of a Warrant may from time to time increase or decrease the Maximum Percentage applicable to such holder to any other percentage specified in such notice; provided, however, that any such increase shall not be effective until the sixty-first (61st) day after such notice is delivered to the Company.

4. Adjustments.

4.1. Share Capitalizations.

4.1.1. Sub-Divisions. If after the date hereof, and subject to the provisions of Section 4.5 below, the number of issued and outstanding Ordinary Shares is increased by a capitalization or share dividend of Ordinary Shares, or by a sub-division of Ordinary Shares or other similar event, then, on the effective date of such share capitalization or share dividend, sub-divisions or similar event, the number of Ordinary Shares issuable on exercise of each Warrant shall be increased in proportion to such increase in the issued and outstanding Ordinary Shares. A rights offering made to all or substantially all holders of Ordinary Shares entitling holders to purchase Ordinary Shares at a price less than the “Historical Fair Market Value” (as defined below) shall be deemed a share dividend of a number of Ordinary Shares equal to the product of (i) the number of Ordinary Shares actually sold in such rights offering (or issuable under any other equity securities sold in such rights offering that are convertible into or exercisable for Ordinary Shares) multiplied by (ii) one (1) minus the quotient of (x) the price per Ordinary Share paid in such rights offering divided by (y) the Historical Fair Market Value. For purposes of this subsection 4.1.1, (i) if the rights offering is for securities convertible into or exercisable for Ordinary Shares, in determining the price payable for Ordinary Shares, there shall be taken into account any consideration received for such rights, as well as any additional amount payable upon exercise or conversion and (ii) “**Historical Fair Market Value**” means the volume weighted average price of the Ordinary Shares during the ten (10) trading day period ending on the trading day prior to the first date on which the Ordinary Shares trade on the applicable exchange or in the applicable market, regular way, without the right to receive such rights. No Ordinary Shares shall be issued at less than their par value.

4.1.2. Extraordinary Dividends. If the Company, at any time while the Warrants are outstanding and unexpired, pays to all or substantially all of the holders of the Ordinary Shares a dividend or make a distribution in cash, securities or other assets on account of such Ordinary Shares (or other shares into which the Warrants are convertible), other than (a) as described in subsection 4.1.1 above, (b) Ordinary Cash Dividends (as defined below), (c) to satisfy the redemption rights of the holders of the Ordinary Shares in connection with a proposed initial Business Combination, (d) to satisfy the redemption rights of the holders of the Ordinary Shares in connection with a shareholder vote to amend the Company’s amended and restated memorandum and articles of association (i) to modify the substance or timing of the Company’s obligation to provide holders of Ordinary Shares the right to have their shares redeemed in connection with the Company’s initial Business Combination or to redeem 100% of the Company’s public shares if it does not complete its initial Business Combination within the time period required by the Company’s Amended and Restated Memorandum and Articles of Association, as amended from time to time, or (ii) with respect to any other provision relating to the rights of holders of Ordinary Shares or (e) in connection with the redemption of public shares upon the failure of the Company to complete its initial Business Combination and any subsequent distribution of its assets upon its liquidation (any such non-excluded event being referred to herein as an “**Extraordinary Dividend**”), then the Warrant Price shall be decreased, effective immediately after the effective date of such Extraordinary Dividend, by the amount of cash and/or the fair market value (as determined by the Company’s board of directors (the “**Board**”), in good faith) of any securities or other assets paid on each Ordinary Share in respect of such Extraordinary Dividend. For purposes of this subsection 4.1.2, “**Ordinary Cash Dividends**” means any cash dividend or cash distribution which, when combined on a per share basis with all other cash dividends and cash distributions paid on the Ordinary Shares during the 365-day period ending on the date of declaration of such dividend or distribution does not exceed \$0.50 (as adjusted to appropriately reflect any of the events referred to in other subsections of this Section 4 and excluding cash dividends or cash distributions that resulted in an adjustment to the Warrant Price or to the number of Ordinary Shares issuable on exercise of each Warrant but only with respect to the amount of aggregate cash dividends and cash distributions equal to or less than \$0.50 per Share).

4.2. Aggregation of Shares. If after the date hereof, and subject to the provisions of Section 4.5 hereof, the number of issued and outstanding Ordinary Shares is decreased by a consolidation, combination, reverse share split or reclassification of Ordinary Shares or other similar event, then, on the effective date of such consolidation, combination, reverse share split, reclassification or similar event, the number of Ordinary Shares issuable on exercise of each Warrant shall be decreased in proportion to such decrease in issued and outstanding Ordinary Shares.

4.3. Adjustments in Exercise Price. Whenever the number of Ordinary Shares purchasable upon the exercise of the Warrants is adjusted, as provided in subsection 4.1.1 or Section 4.2 above, the Warrant Price shall be adjusted (to the nearest cent) by multiplying such Warrant Price immediately prior to such adjustment by a fraction (x) the numerator of which shall be the number of Ordinary Shares purchasable upon the exercise of the Warrants immediately prior to such adjustment, and (y) the denominator of which shall be the number of Ordinary Shares so purchasable immediately thereafter.

4.4. Raising of the Capital in Connection with the Initial Business Combination. If (x) the Company issues additional Ordinary Shares or equity-linked securities for capital raising purposes in connection with the closing of its initial Business Combination at an issue price or effective issue price of less than \$9.20 per Ordinary Share (with such issue price or effective issue price to be determined in good faith by the Board and, in the case of any such issuance to the Sponsor or its affiliates, without taking into account any Class B Ordinary Shares, par value \$0.0001 per share, of the Company held by the Sponsor or such affiliates, as applicable, prior to such issuance) (the “*Newly Issued Price*”), (y) the aggregate gross proceeds from such issuances represent more than 60% of the total equity proceeds, and interest thereon, available for the funding of the Company’s initial Business Combination on the date of the completion of the Company’s initial Business Combination (net of redemptions), and (z) the volume-weighted average trading price of Ordinary Shares during the ten (10) trading day period starting on the trading day prior to the day on which the Company consummates its initial Business Combination (such price, the “*Market Value*”) is below \$9.20 per share, the Warrant Price will be adjusted (to the nearest cent) to be equal to 115% of the higher of the Market Value and the Newly Issued Price, and the \$18.00 per share redemption trigger price described in Section 6.1 will be adjusted (to the nearest cent) to be equal to 180% of the higher of the Market Value and the Newly Issued Price and the \$10.00 per share redemption trigger price described in Section 6.2 shall be adjusted (to the nearest cent) to be equal to the higher of the Market Value and the Newly Issued Price.

4.5. Replacement of Securities upon Reorganization, etc. In case of any reclassification or reorganization of the issued and outstanding Ordinary Shares (other than a change under Section 4.1 or Section 4.2 hereof or that solely affects the par value of such Ordinary Shares), or in the case of any merger or consolidation of the Company with or into another corporation (other than a consolidation or merger in which the Company is the continuing corporation and that does not result in any reclassification or reorganization of the issued and outstanding Ordinary Shares), or in the case of any sale or conveyance to another corporation or entity of the assets or other property of the Company as an entirety or substantially as an entirety in connection with which the Company is dissolved, the holders of the Warrants shall thereafter have the right to purchase and receive, upon the basis and upon the terms and conditions specified in the Warrants and in lieu of the Ordinary Shares of the Company immediately theretofore purchasable and receivable upon the exercise of the rights represented thereby, the kind and amount of shares or stock or other securities or property (including cash) receivable upon such reclassification, reorganization, merger or consolidation, or upon a dissolution following any such sale or transfer, that the holder of the Warrants would have received if such holder had exercised his, her or its Warrant(s) immediately prior to such event (the “*Alternative Issuance*”); provided, however, that (i) if the holders of the Ordinary Shares were entitled to exercise a right of election as to the kind or amount of securities, cash or other assets receivable upon such consolidation or merger, then the kind and amount of securities, cash or other assets constituting the Alternative Issuance for which each Warrant shall become exercisable shall be deemed to be the weighted average of the kind and amount received per share by the holders of the Ordinary Shares in such consolidation or merger that affirmatively make such election, and (ii) if a tender, exchange or redemption offer shall have been made to and accepted by the holders of the Ordinary Shares (other than a tender, exchange or redemption offer made by the Company in connection with redemption rights held by shareholders of the Company as provided for in the Company’s amended and restated memorandum and articles of association or as a result of the repurchase of Ordinary Shares by the Company if a proposed initial Business Combination is presented to the shareholders of the Company for approval) under circumstances in which, upon completion of such tender or exchange offer, the maker thereof, together with members of any group (within the meaning of Rule 13d-5(b)(1) under the Exchange Act) of which such maker is a part, and together with any affiliate or associate of such maker (within the meaning of Rule 12b-2 under the Exchange Act) and any members of any such group of which any such affiliate or associate is a part, own beneficially (within the meaning of Rule 13d-3 under the Exchange Act) more than 50% of the issued and outstanding Ordinary Shares, the holder of a Warrant shall be entitled to receive as the Alternative Issuance, the highest amount of cash, securities or other property to which such holder would actually have been entitled as a shareholder if such Warrant holder had exercised the Warrant prior to the expiration of such tender or exchange offer, accepted such offer and all of the Ordinary Shares held by such holder had been purchased pursuant to such tender or exchange offer, subject to adjustments (from and after the consummation of such tender or exchange offer) as nearly equivalent as possible to the adjustments provided for in this Section 4; provided further that if less than 70% of the consideration receivable by the holders of the Ordinary Shares in the applicable event is payable in the form of shares in the successor entity that is listed for trading on a national securities exchange or is quoted in an established over-the-counter market, or is to be so listed for trading or quoted immediately following such event, and if the Registered Holder properly exercises the Warrant within thirty (30) days following the public disclosure of the consummation of such applicable event by the Company pursuant to a Current Report on Form 8-K filed with the Commission, the Warrant Price shall be reduced by an amount (in dollars) equal to the difference of (i) the Warrant Price in effect prior to such reduction minus (ii) (A) the Per Share Consideration (as defined below) (but in no event less than zero) minus (B) the Black-Scholes Warrant Value (as defined below). The “*Black-Scholes Warrant Value*” means the value of a Warrant immediately prior to the consummation of the applicable event based on the Black-Scholes Warrant Model for a Capped American Call on Bloomberg Financial Markets (assuming zero dividends) (“*Bloomberg*”). For purposes of calculating such amount, (i) Section 6 of this Agreement shall be taken into account, (ii) the price of each Ordinary Share shall be the volume weighted average price of the Ordinary Shares during the ten (10) trading day period ending on the trading day prior to the effective date of the applicable event, (iii) the assumed volatility shall be the 90 day volatility obtained from the HVT function on Bloomberg determined as of the trading day immediately prior to the day of the announcement of the applicable event and (iv) the assumed risk-free interest rate shall correspond to the U.S. Treasury rate for a period equal to the remaining term of the Warrant. “*Per Share Consideration*” means (i) if the consideration paid to holders of the Ordinary Shares consists exclusively of cash, the amount of such cash per Ordinary Share, and (ii) in all other cases, the volume weighted average price of the Ordinary Shares during the ten (10) trading day period ending on the trading day prior to the effective date of the applicable event. If any reclassification or reorganization also results in a change in Ordinary Shares covered by subsection 4.1.1, then such adjustment shall be made pursuant to subsection 4.1.1 or Sections 4.2, 4.3 and this Section 4.5. The provisions of this Section 4.5 shall similarly apply to successive reclassifications, reorganizations, mergers or consolidations, sales or other transfers. In no event shall the Warrant Price be reduced to less than the par value per share issuable upon exercise of such Warrant.

4.6. Notices of Changes in Warrant. Upon every adjustment of the Warrant Price or the number of shares issuable upon exercise of a Warrant, the Company shall give written notice thereof to the Warrant Agent, which notice shall state the Warrant Price resulting from such adjustment and the increase or decrease, if any, in the number of shares purchasable at such price upon the exercise of a Warrant, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based. Upon the occurrence of any event specified in Sections 4.1, 4.2, 4.3, 4.4 or 4.5, the Company shall give written notice of the occurrence of such event to each holder of a Warrant, at the last address set forth for such holder in the Warrant Register, of the record date or the effective date of the event. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such event.

4.7. No Fractional Shares. Notwithstanding any provision contained in this Agreement to the contrary, the Company shall not issue fractional shares upon the exercise of Warrants. If, by reason of any adjustment made pursuant to this Section 4, the holder of any Warrant would be entitled, upon the exercise of such Warrant, to receive a fractional interest in a share, the Company shall, upon such exercise, round down to the nearest whole number the number of Ordinary Shares to be issued to such holder.

4.8. Form of Warrant. The form of Warrant need not be changed because of any adjustment pursuant to this Section 4, and Warrants issued after such adjustment may state the same Warrant Price and the same number of shares as is stated in the Warrants initially issued pursuant to this Agreement; provided, however, that the Company may at any time in its sole discretion make any change in the form of Warrant that the Company may deem appropriate and that does not affect the substance thereof, and any Warrant thereafter issued or countersigned, whether in exchange or substitution for an outstanding Warrant or otherwise, may be in the form as so changed.

5. Transfer and Exchange of Warrants.

5.1. Registration of Transfer. The Warrant Agent shall register the transfer, from time to time, of any outstanding Warrant upon the Warrant Register, upon surrender of such Warrant for transfer, properly endorsed with signatures properly guaranteed and accompanied by appropriate instructions for transfer. Upon any such transfer, a new Warrant representing an equal aggregate number of Warrants shall be issued and the old Warrant shall be cancelled by the Warrant Agent. In the case of certificated Warrants, the Warrants so cancelled shall be delivered by the Warrant Agent to the Company from time to time upon request.

5.2. Procedure for Surrender of Warrants. Warrants may be surrendered to the Warrant Agent, together with a written request for exchange or transfer, and thereupon the Warrant Agent shall issue in exchange therefor one or more new Warrants as requested by the Registered Holder of the Warrants so surrendered, representing an equal aggregate number of Warrants; provided, however, that except as otherwise provided herein or with respect to any Book-Entry Warrant, each Book-Entry Warrant may be transferred only in whole and only to the Depository, to another nominee of the Depository, to a successor depository, or to a nominee of a successor depository; provided further, however that in the event that a Warrant surrendered for transfer bears a restrictive legend (as in the case of the Private Placement Warrants), the Warrant Agent shall not cancel such Warrant and issue new Warrants in exchange thereof until the Warrant Agent has received an opinion of counsel for the Company stating that such transfer may be made and indicating whether the new Warrants must also bear a restrictive legend.

5.3. Fractional Warrants. The Warrant Agent shall not be required to effect any registration of transfer or exchange which shall result in the issuance of a warrant certificate or book-entry position for a fraction of a warrant, except as part of the Units.

5.4. Service Charges. No service charge shall be made for any exchange or registration of transfer of Warrants.

5.5. Warrant Execution and Countersignature. The Warrant Agent is hereby authorized to countersign and to deliver, in accordance with the terms of this Agreement, the Warrants required to be issued pursuant to the provisions of this Section 5, and the Company, whenever required by the Warrant Agent, shall supply the Warrant Agent with Warrants duly executed on behalf of the Company for such purpose.

5.6. Transfer of Warrants. Prior to the Detachment Date, the Public Warrants may be transferred or exchanged only together with the Unit in which such Warrant is included, and only for the purpose of effecting, or in conjunction with, a transfer or exchange of such Unit. Furthermore, each transfer of a Unit on the register relating to such Units shall operate also to transfer the Warrants included in such Unit. Notwithstanding the foregoing, the provisions of this Section 5.6 shall have no effect on any transfer of Warrants on and after the Detachment Date.

6. Redemption.

6.1. Redemption of Warrants for Cash. Subject to Section 6.5 hereof, not less than all of the outstanding Warrants may be redeemed, at the option of the Company, at any time during the Exercise Period, at the office of the Warrant Agent, upon notice to the Registered Holders of the Warrants, as described in Section 6.3 below, at a Redemption Price of \$0.01 per Warrant, provided that (a) the Reference Value equals or exceeds \$18.00 per share (subject to adjustment in compliance with Section 4 hereof) and (b) there is an effective registration statement covering the issuance of the Ordinary Shares issuable upon exercise of the Warrants, and a current prospectus relating thereto, available throughout the 30-day Redemption Period (as defined in Section 6.3 below).

6.2. **Redemption of Warrants for Ordinary Shares.** Subject to Section 6.5 hereof, not less than all of the outstanding Warrants may be redeemed, at the option of the Company, at any time during the Exercise Period, at the office of the Warrant Agent, upon notice to the Registered Holders of the Warrants, as described in Section 6.3 below, at a Redemption Price of \$0.10 per Warrant, provided that (i) the Reference Value equals or exceeds \$10.00 per share (subject to adjustment in compliance with Section 4 hereof) and (ii) if the Reference Value is less than \$18.00 per share (subject to adjustment in compliance with Section 4 hereof), the Private Placement Warrants are also concurrently called for redemption on the same terms as the outstanding Public Warrants. During the 30-day Redemption Period in connection with a redemption pursuant to this Section 6.2, Registered Holders of the Warrants may elect to exercise their Warrants on a “cashless basis” pursuant to subsection 3.3.1 and receive a number of Ordinary Shares determined by reference to the table below, based on the Redemption Date (calculated for purposes of the table as the period to expiration of the Warrants) and the “Redemption Fair Market Value” (as such term is defined in this Section 6.2) (a “*Make-Whole Exercise*”). Solely for purposes of this Section 6.2, the “*Redemption Fair Market Value*” shall mean the volume weighted average price of the Ordinary Shares for the ten (10) trading days immediately following the date on which notice of redemption pursuant to this Section 6.2 is sent to the Registered Holders. In connection with any redemption pursuant to this Section 6.2, the Company shall provide the Registered Holders with the Redemption Fair Market Value no later than one (1) Business Day after the ten (10) trading day period described above ends.

The exact Redemption Fair Market Value and Redemption Date may not be set forth in the table above, in which case, if the Redemption Fair Market Value is between two values in the table or the Redemption Date is between two redemption dates in the table, the number of Ordinary Shares to be issued for each Warrant exercised in a Make-Whole Exercise shall be determined by a straight-line interpolation between the number of shares set forth for the higher and lower Redemption Fair Market Values and the earlier and later redemption dates, as applicable, based on a 365- or 366-day year, as applicable.

The share prices set forth in the column headings of the table above shall be adjusted as of any date on which the number of shares issuable upon exercise of a Warrant or the Exercise Price is adjusted pursuant to Section 4 hereof. If the number of shares issuable upon exercise of a Warrant is adjusted pursuant to Section 4 hereof, the adjusted share prices in the column headings shall equal the share prices immediately prior to such adjustment, multiplied by a fraction, the numerator of which is the number of shares deliverable upon exercise of a Warrant immediately prior to such adjustment and the denominator of which is the number of shares deliverable upon exercise of a Warrant as so adjusted. The number of shares in the table above shall be adjusted in the same manner and at the same time as the number of shares issuable upon exercise of a Warrant. If the Exercise Price of a warrant is adjusted, (a) in the case of an adjustment pursuant to Section 4.4 hereof, the adjusted share prices in the column headings shall equal the share prices immediately prior to such adjustment multiplied by a fraction, the numerator of which is the higher of the Market Value and the Newly Issued Price and the denominator of which is \$10.00 and (b) in the case of an adjustment pursuant to Section 4.1.2 hereof, the adjusted share prices in the column headings shall equal the share prices immediately prior to such adjustment less the decrease in the Exercise Price pursuant to such Exercise Price adjustment. In no event shall the number of shares issued in connection with a Make-Whole Exercise exceed 0.361 Ordinary Shares per Warrant (subject to adjustment).

6.3. Date Fixed for, and Notice of, Redemption; Redemption Price; Reference Value. In the event that the Company elects to redeem the Warrants pursuant to Sections 6.1 or 6.2, the Company shall fix a date for the redemption (the “**Redemption Date**”). Notice of redemption shall be mailed by first class mail, postage prepaid, by the Company not less than thirty (30) days prior to the Redemption Date (the “**30-day Redemption Period**”) to the Registered Holders of the Warrants to be redeemed at their last addresses as they shall appear on the registration books. Any notice mailed in the manner herein provided shall be conclusively presumed to have been duly given whether or not the Registered Holder received such notice. As used in this Agreement, (a) “**Redemption Price**” shall mean the price per Warrant at which any Warrants are redeemed pursuant to Sections 6.1 or 6.2 and (b) “**Reference Value**” shall mean the last reported sales price of the Ordinary Shares for any twenty (20) trading days within the thirty (30) trading-day period ending on the third trading day prior to the date on which notice of the redemption is given.

6.4. Exercise After Notice of Redemption. The Warrants may be exercised, for cash (or on a “cashless basis” in accordance with Section 6.2 of this Agreement) at any time after notice of redemption shall have been given by the Company pursuant to Section 6.3 hereof and prior to the Redemption Date. On and after the Redemption Date, the record holder of the Warrants shall have no further rights except to receive, upon surrender of the Warrants, the Redemption Price.

6.5. Exclusion of Private Placement Warrants. The Company agrees that (a) the redemption rights provided in Section 6.1 hereof shall not apply to the Private Placement Warrants if at the time of the redemption such Private Placement Warrants continue to be held by the Sponsor or its Permitted Transferees and (b) if the Reference Value equals or exceeds \$18.00 per share (subject to adjustment in compliance with Section 4 hereof), the redemption rights provided in Section 6.2 hereof shall not apply to the Private Placement Warrants if at the time of the redemption such Private Placement Warrants continue to be held by the Sponsor or its Permitted Transferees. However, once such Private Placement Warrants are transferred (other than to Permitted Transferees in accordance with Section 2.6 hereof), the Company may redeem the Private Placement Warrants pursuant to Section 6.1 or 6.2 hereof, provided that the criteria for redemption are met, including the opportunity of the holder of such Private Placement Warrants to exercise the Private Placement Warrants prior to redemption pursuant to Section 6.4 hereof. Private Placement Warrants that are transferred to persons other than Permitted Transferees shall upon such transfer cease to be Private Placement Warrants and shall become Public Warrants under this Agreement, including for purposes of Section 9.8 hereof.

7. Other Provisions Relating to Rights of Holders of Warrants.

7.1. No Rights as Shareholder. A Warrant does not entitle the Registered Holder thereof to any of the rights of a shareholder of the Company, including, without limitation, the right to receive dividends, or other distributions, exercise any preemptive rights to vote or to consent or to receive notice as shareholders in respect of the meetings of shareholders or the appointment of directors of the Company or any other matter.

7.2. Lost, Stolen, Mutilated, or Destroyed Warrants. If any Warrant is lost, stolen, mutilated, or destroyed, the Company and the Warrant Agent may on such terms as to indemnity or otherwise as they may in their discretion impose (which shall, in the case of a mutilated Warrant, include the surrender thereof), issue a new Warrant of like denomination, tenor, and date as the Warrant so lost, stolen, mutilated, or destroyed. Any such new Warrant shall constitute a substitute contractual obligation of the Company, whether or not the allegedly lost, stolen, mutilated, or destroyed Warrant shall be at any time enforceable by anyone.

7.3. Reservation of Ordinary Shares. The Company shall at all times reserve and keep available a number of its authorized but unissued Ordinary Shares that shall be sufficient to permit the exercise in full of all outstanding Warrants issued pursuant to this Agreement.

7.4. Registration of Ordinary Shares; Cashless Exercise at Company's Option.

7.4.1. Registration of the Ordinary Shares. The Company agrees that as soon as practicable, but in no event later than twenty (20) Business Days after the closing of its initial Business Combination, it shall use its commercially reasonable efforts to file with the Commission a registration statement for the registration, under the Securities Act, of the Ordinary Shares issuable upon exercise of the Warrants. The Company shall use its commercially reasonable efforts to cause the same to become effective within sixty (60) Business Days following the closing of its initial Business Combination and to maintain the effectiveness of such registration statement, and a current prospectus relating thereto, until the expiration or redemption of the Warrants in accordance with the provisions of this Agreement. If any such registration statement has not been declared effective by the sixtieth (60<sup>th</sup>) Business Day following the closing of the Business Combination, holders of the Warrants shall have the right, during the period beginning on the sixty-first (61<sup>st</sup>) Business Day after the closing of the Business Combination and ending upon such registration statement being declared effective by the Commission, and during any other period when the Company shall fail to have maintained an effective registration statement covering the issuance of the Ordinary Shares issuable upon exercise of the Warrants, to exercise such Warrants on a "cashless basis," by exchanging the Warrants (in accordance with Section 3(a)(9) of the Securities Act or another exemption) for that number of Ordinary Shares equal to the lesser of (A) the quotient obtained by dividing (x) the product of the number of Ordinary Shares underlying the Warrants, multiplied by the excess of the "Fair Market Value" (as defined below) over the Warrant Price by (y) the Fair Market Value and (B) 0.361. Solely for purposes of this subsection 7.4.1, "**Fair Market Value**" shall mean the average last reported sales price of the Ordinary Shares for the ten (10) trading day period ending on the third (3<sup>rd</sup>) trading day prior to the date that notice of exercise is received by the Warrant Agent from the holder of such Warrants or its securities broker or intermediary. The date that notice of "cashless exercise" is received by the Warrant Agent shall be conclusively determined by the Warrant Agent. In connection with the "cashless exercise" of a Public Warrant, the Company shall, upon request, provide the Warrant Agent with an opinion of counsel for the Company (which shall be an outside law firm with securities law experience) stating that (i) the exercise of the Warrants on a "cashless basis" in accordance with this subsection 7.4.1 is not required to be registered under the Securities Act and (ii) the Ordinary Shares issued upon such exercise shall be freely tradable under United States federal securities laws by anyone who is not an affiliate (as such term is defined in Rule 144 under the Securities Act) of the Company and, accordingly, shall not be required to bear a restrictive legend. Except as provided in subsection 7.4.2, for the avoidance of doubt, unless and until all of the Warrants have been exercised or have expired, the Company shall continue to be obligated to comply with its registration obligations under the first three sentences of this subsection 7.4.1.

7.4.2. Cashless Exercise at Company's Option. If the Ordinary Shares are at the time of any exercise of a Public Warrant not listed on a national securities exchange such that they satisfy the definition of a "covered security" under Section 18(b)(1) of the Securities Act, the Company may, at its option, (i) require holders of Public Warrants who exercise Public Warrants to exercise such Public Warrants on a "cashless basis" in accordance with Section 3(a)(9) of the Securities Act as described in subsection 7.4.1 and (ii) in the event the Company so elects, the Company shall (x) not be required to file or maintain in effect a registration statement for the registration, under the Securities Act, of the Ordinary Shares issuable upon exercise of the Warrants, notwithstanding anything in this Agreement to the contrary, and (y) use its commercially reasonable efforts to register or qualify for sale the Ordinary Shares issuable upon exercise of the Public Warrant under applicable blue sky laws to the extent an exemption is not available.

8. Concerning the Warrant Agent and Other Matters.

8.1. Payment of Taxes. The Company shall from time to time promptly pay all taxes and charges that may be imposed upon the Company or the Warrant Agent in respect of the issuance or delivery of Ordinary Shares upon the exercise of the Warrants, but the Company shall not be obligated to pay any transfer taxes in respect of the Warrants or such shares.

8.2. Resignation, Consolidation, or Merger of Warrant Agent.

8.2.1. Appointment of Successor Warrant Agent. The Warrant Agent, or any successor to it hereafter appointed, may resign its duties and be discharged from all further duties and liabilities hereunder after giving sixty (60) days' notice in writing to the Company. If the office of the Warrant Agent becomes vacant by resignation or incapacity to act or otherwise, the Company shall appoint in writing a successor Warrant Agent in place of the Warrant Agent. If the Company shall fail to make such appointment within a period of thirty (30) days after it has been notified in writing of such resignation or incapacity by the Warrant Agent or by the holder of a Warrant (who shall, with such notice, submit his, her or its Warrant for inspection by the Company), then the holder of any Warrant may apply to the Supreme Court of the State of New York for the County of New York for the appointment of a successor Warrant Agent at the Company's cost. Any successor Warrant Agent, whether appointed by the Company or by such court, shall be a corporation or other entity organized and existing under the laws of the State of New York, in good standing and having its principal office in the United States of America, and authorized under such laws to exercise corporate trust powers and subject to supervision or examination by federal or state authority. After appointment, any successor Warrant Agent shall be vested with all the authority, powers, rights, immunities, duties, and obligations of its predecessor Warrant Agent with like effect as if originally named as Warrant Agent hereunder, without any further act or deed; but if for any reason it becomes necessary or appropriate, the predecessor Warrant Agent shall execute and deliver, at the expense of the Company, an instrument transferring to such successor Warrant Agent all the authority, powers, and rights of such predecessor Warrant Agent hereunder; and upon request of any successor Warrant Agent the Company shall make, execute, acknowledge, and deliver any and all instruments in writing for more fully and effectually vesting in and confirming to such successor Warrant Agent all such authority, powers, rights, immunities, duties, and obligations.

8.2.2. Notice of Successor Warrant Agent. In the event a successor Warrant Agent shall be appointed, the Company shall give notice thereof to the predecessor Warrant Agent and the Transfer Agent for the Ordinary Shares not later than the effective date of any such appointment.

8.2.3. Merger or Consolidation of Warrant Agent. Any entity into which the Warrant Agent may be merged or with which it may be consolidated or any entity resulting from any merger or consolidation to which the Warrant Agent shall be a party shall be the successor Warrant Agent under this Agreement without any further act.

8.3. Fees and Expenses of Warrant Agent.

8.3.1. Remuneration. The Company agrees to pay the Warrant Agent reasonable remuneration for its services as such Warrant Agent hereunder and shall, pursuant to its obligations under this Agreement, reimburse the Warrant Agent upon demand for all expenditures that the Warrant Agent may reasonably incur in the execution of its duties hereunder.

8.3.2. Further Assurances. The Company agrees to perform, execute, acknowledge, and deliver or cause to be performed, executed, acknowledged, and delivered all such further and other acts, instruments, and assurances as may reasonably be required by the Warrant Agent for the carrying out or performing of the provisions of this Agreement.

8.4. Liability of Warrant Agent.

8.4.1. Reliance on Company Statement. Whenever in the performance of its duties under this Agreement, the Warrant Agent shall deem it necessary or desirable that any fact or matter be proved or established by the Company prior to taking or suffering any action hereunder, such fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a statement signed by the Chairman of the Board, Chief Executive Officer or Chief Financial Officer and delivered to the Warrant Agent. The Warrant Agent may rely upon such statement for any action taken or suffered in good faith by it pursuant to the provisions of this Agreement.

8.4.2. Indemnity. The Warrant Agent shall be liable hereunder only for its own gross negligence, willful misconduct, fraud or bad faith. The Company agrees to indemnify the Warrant Agent and save it harmless against any and all liabilities, including judgments, out-of-pocket costs and reasonable outside counsel fees, for anything done or omitted by the Warrant Agent in the execution of this Agreement, except as a result of the Warrant Agent's gross negligence, willful misconduct, fraud or bad faith.

8.4.3. Exclusions. The Warrant Agent shall have no responsibility with respect to the validity of this Agreement or with respect to the validity or execution of any Warrant (except its countersignature thereof). The Warrant Agent shall not be responsible for any breach by the Company of any covenant or condition contained in this Agreement or in any Warrant. The Warrant Agent shall not be responsible to make any adjustments required under the provisions of Section 4 hereof or responsible for the manner, method, or amount of any such adjustment or the ascertaining of the existence of facts that would require any such adjustment; nor shall it by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of any Ordinary Shares to be issued pursuant to this Agreement or any Warrant or as to whether any Ordinary Shares shall, when issued, be valid and fully paid and nonassessable.

8.5. Acceptance of Agency. The Warrant Agent hereby accepts the agency established by this Agreement and agrees to perform the same upon the terms and conditions herein set forth and among other things, shall account promptly to the Company with respect to Warrants exercised and concurrently account for, and pay to the Company, all monies received by the Warrant Agent for the purchase of Ordinary Shares through the exercise of the Warrants.

8.6. Waiver. The Warrant Agent has no right of set-off or any other right, title, interest or claim of any kind (“*Claim*”) in, or to any distribution of, the Trust Account (as defined in that certain Investment Management Trust Agreement, dated as of the date hereof, by and between the Company and Continental Stock Transfer & Trust Company as trustee thereunder) and hereby agrees not to seek recourse, reimbursement, payment or satisfaction for any Claim against the Trust Account for any reason whatsoever. The Warrant Agent hereby waives any and all Claims against the Trust Account and any and all rights to seek access to the Trust Account.

9. Miscellaneous Provisions.

9.1. Successors. All the covenants and provisions of this Agreement by or for the benefit of the Company or the Warrant Agent shall bind and inure to the benefit of their respective successors and assigns.

9.2. Notices. Any notice, statement or demand authorized by this Agreement to be given or made by the Warrant Agent or by the holder of any Warrant to or on the Company shall be sufficiently given when so delivered if by hand or overnight delivery or if sent by certified mail or private courier service within five (5) days after deposit of such notice, postage prepaid, addressed (until another address is filed in writing by the Company with the Warrant Agent), as follows:

9.3. Applicable Law and Exclusive Forum. The validity, interpretation, and performance of this Agreement and of the Warrants shall be governed in all respects by the laws of the State of New York. Subject to applicable law, the Company hereby agrees that any action, proceeding or claim against it arising out of, or related to this Agreement shall be brought and enforced in the courts of the State of New York or the United States District Court for the Southern District of New York, and irrevocably submits to such jurisdiction, which jurisdiction shall be exclusive forum for any such action, proceeding or claim. The Company hereby waives any objection to such exclusive jurisdiction and that such courts represent an inconvenient forum. Notwithstanding the foregoing, the provisions of this paragraph will not apply to suits brought to enforce any liability or duty created by the Exchange Act or any other claim for which the federal district courts of the United States of America are the sole and exclusive forum.

Any person or entity purchasing or otherwise acquiring any interest in the Warrants shall be deemed to have notice of and to have consented to the forum provisions in this Section 9.3. If any action, the subject matter of which is within the scope the forum provisions above, is filed in a court other than a court located within the State of New York or the United States District Court for the Southern District of New York (a “foreign action”) in the name of any warrant holder, such warrant holder shall be deemed to have consented to: (x) the personal jurisdiction of the state and federal courts located within the State of New York or the United States District Court for the Southern District of New York in connection with any action brought in any such court to enforce the forum provisions (an “enforcement action”), and (y) having service of process made upon such warrant holder in any such enforcement action by service upon such warrant holder’s counsel in the foreign action as agent for such warrant holder.

9.4. Persons Having Rights under this Agreement. Nothing in this Agreement shall be construed to confer upon, or give to, any person, corporation or other entity other than the parties hereto and the Registered Holders of the Warrants any right, remedy, or claim under or by reason of this Agreement or of any covenant, condition, stipulation, promise, or agreement hereof. All covenants, conditions, stipulations, promises, and agreements contained in this Agreement shall be for the sole and exclusive benefit of the parties hereto and their successors and assigns and of the Registered Holders of the Warrants.

9.5. Examination of the Warrant Agreement. A copy of this Agreement shall be available at all reasonable times at the office of the Warrant Agent in the United States of America, for inspection by the Registered Holder of any Warrant. The Warrant Agent may require any such holder to submit such holder’s Warrant for inspection by the Warrant Agent.

9.6. Counterparts. This Agreement may be executed in any number of original or facsimile counterparts and each of such counterparts shall for all purposes be deemed to be an original, and all such counterparts shall together constitute but one and the same instrument.

9.7. Effect of Headings. The section headings herein are for convenience only and are not part of this Agreement and shall not affect the interpretation thereof.

9.8. Amendments. This Agreement may be amended by the parties hereto without the consent of any Registered Holder for the purpose of (i) curing any ambiguity or to correct any mistake, including to conform the provisions hereof to the description of the terms of the Warrants and this Agreement set forth in the Prospectus, or defective provision contained herein, (ii) amending the definition of “Ordinary Cash Dividend” as contemplated by and in accordance with the second sentence of subsection 4.1.2 or (iii) adding or changing any provisions with respect to matters or questions arising under this Agreement as the parties may deem necessary or desirable and that the parties deem shall not adversely affect the rights of the Registered Holders under this Agreement. All other modifications or amendments, including any modification or amendment to increase the Warrant Price or shorten the Exercise Period and any amendment to the terms of only the Private Placement Warrants, shall require the vote or written consent of the Registered Holders of 50% of the then-outstanding Public Warrants and, solely with respect to any amendment to the terms of the Private Placement Warrants or any provision of this Agreement with respect to the Private Placement Warrants, 50% of the then-outstanding Private Placement Warrants. Notwithstanding the foregoing, the Company may lower the Warrant Price or extend the duration of the Exercise Period pursuant to Sections 3.1 and 3.2, respectively, without the consent of the Registered Holders.

9.9. Severability. This Agreement shall be deemed severable, and the invalidity or unenforceability of any term or provision hereof shall not affect the validity or enforceability of this Agreement or of any other term or provision hereof. Furthermore, in lieu of any such invalid or unenforceable term or provision, the parties hereto intend that there shall be added as a part of this Agreement a provision as similar in terms to such invalid or unenforceable provision as may be possible and be valid and enforceable.

WHEREAS, the Company and the Trustee desire to enter into this Agreement to set forth the terms and conditions pursuant to which the Trustee shall hold the Property.

NOW THEREFORE, IT IS AGREED:

1. Agreements and Covenants of Trustee. The Trustee hereby agrees and covenants to:
  - (a) Hold the Property in trust for the Beneficiaries in accordance with the terms of this Agreement in the Trust Account established by the Trustee located in the United States at J.P. Morgan Chase Bank, N.A. (or at another U.S. chartered commercial bank with consolidated assets of \$100 billion or more), maintained by Trustee and at a brokerage institution selected by the Trustee that is reasonably satisfactory to the Company;
  - (b) Manage, supervise and administer the Trust Account subject to the terms and conditions set forth herein;

(c) In a timely manner, upon the written instruction of the Company, invest and reinvest the Property in United States government securities within the meaning of Section 2(a)(16) of the Investment Company Act of 1940, as amended, having a maturity of 185 days or less, or in money market funds meeting the conditions of paragraphs (d)(1), (d)(2), (d)(3) and (d)(4) of Rule 2a-7 promulgated under the Investment Company Act of 1940, as amended (or any successor rule), which invest only in direct U.S. government treasury obligations, as determined by the Company; the Trustee may not invest in any other securities or assets, it being understood that the Trust Account will earn no interest while account funds are uninvested awaiting the Company's instructions hereunder and the Trustee may earn bank credits or other consideration;

(d) Collect and receive, when due, all principal, interest or other income arising from the Property, which shall become part of the "**Property**," as such term is used herein;

(e) Promptly notify the Company and the Representative of all communications received by the Trustee with respect to any Property requiring action by the Company;

(f) Supply any necessary information or documents as may be requested by the Company (or its authorized agents) in connection with the Company's preparation of the tax returns relating to assets held in the Trust Account;

(g) Participate in any plan or proceeding for protecting or enforcing any right or interest arising from the Property if, as and when instructed by the Company to do so;

(h) Render to the Company monthly written statements of the activities of, and amounts in, the Trust Account reflecting all receipts and disbursements of the Trust Account;

(i) Commence liquidation of the Trust Account only after and promptly following (x) receipt of, and only in accordance with, the terms of a letter from the Company ("**Termination Letter**") in a form substantially similar to that attached hereto as either Exhibit A or Exhibit B, as applicable, signed on behalf of the Company by its Chief Executive Officer, Chief Financial Officer or other authorized officer of the Company, and complete the liquidation of the Trust Account and distribute the Property in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company to pay its income taxes, if any, (less up to \$100,000 of interest to pay dissolution expenses), only as directed in the Termination Letter and the other documents referred to therein, or (y) upon the date which is the later of (1) 24 months after the closing of the Offering and (2) such later date as may be approved by the Company's shareholders in accordance with the Company's amended and restated memorandum and articles of association, if a Termination Letter has not been received by the Trustee prior to such date, in which case the Trust Account shall be liquidated in accordance with the procedures set forth in the Termination Letter attached as Exhibit B and the Property in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company to pay its income taxes, if any, (less up to \$100,000 of interest to pay dissolution expenses), shall be distributed to the Public Shareholders of record as of such date;

(j) Upon written request from the Company, which may be given from time to time in a form substantially similar to that attached hereto as Exhibit C (a “**Tax Payment Withdrawal Instruction**”), withdraw from the Trust Account and distribute to the Company the amount of interest earned on the Property requested by the Company to cover any tax obligation owed by the Company as a result of assets of the Company or interest or other income earned on the Property, which amount shall be delivered directly to the Company by electronic funds transfer or other method of prompt payment, and the Company shall forward such payment to the relevant taxing authority, so long as there is no reduction in the principal amount per share initially deposited in the Trust Account; provided, however, that to the extent there is not sufficient cash in the Trust Account to pay such tax obligation, the Trustee shall liquidate such assets held in the Trust Account as shall be designated by the Company in writing to make such distribution, so long as there is no reduction in the principal amount per share initially deposited in the Trust Account (it being acknowledged and agreed that any such amount in excess of interest income earned on the Property shall not be payable from the Trust Account). The written request of the Company referenced above shall constitute presumptive evidence that the Company is entitled to said funds, and the Trustee shall have no responsibility to look beyond said request;

(k) Upon written request from the Company, which may be given from time to time in a form substantially similar to that attached hereto as Exhibit D (a “**Shareholder Redemption Withdrawal Instruction**”), the Trustee shall distribute to the remitting brokers on behalf of Public Shareholders redeeming Ordinary Shares the amount required to pay redeemed Ordinary Shares from Public Shareholders pursuant to the Company’s amended and restated memorandum and articles of association; and

(l) Not make any withdrawals or distributions from the Trust Account other than pursuant to Section 1(i), (j), or (k) above.

2. Agreements and Covenants of the Company. The Company hereby agrees and covenants to:

(a) Give all instructions to the Trustee hereunder in writing, signed by the Company’s Chief Executive Officer, Chief Financial Officer or other authorized officer of the Company. In addition, except with respect to its duties under Sections 1(i), (j) or (k) hereof, the Trustee shall be entitled to rely on, and shall be protected in relying on, any verbal or telephonic advice or instruction which it, in good faith and with reasonable care, believes to be given by any one of the persons authorized above to give written instructions, provided that the Company shall promptly confirm such instructions in writing;

(b) Subject to Section 4 hereof, hold the Trustee harmless and indemnify the Trustee from and against any and all reasonable and documented expenses, including reasonable counsel fees and disbursements, or losses suffered by the Trustee in connection with any action taken by it hereunder and in connection with any action, suit or other proceeding brought against the Trustee involving any claim, or in connection with any claim or demand, which in any way arises out of or relates to this Agreement, the services of the Trustee hereunder, or the Property or any interest earned on the Property, except for expenses and losses resulting from the Trustee’s gross negligence, fraud or willful misconduct. Promptly after the receipt by the Trustee of notice of demand or claim or the commencement of any action, suit or proceeding, pursuant to which the Trustee intends to seek indemnification under this Section 2(b), it shall notify the Company in writing of such claim (hereinafter referred to as the “**Indemnified Claim**”). The Trustee shall have the right to conduct and manage the defense against such Indemnified Claim; provided that the Trustee shall obtain the consent of the Company with respect to the selection of counsel, which consent shall not be unreasonably withheld. The Trustee may not agree to settle any Indemnified Claim without the prior written consent of the Company, which such consent shall not be unreasonably withheld. The Company may participate in such action with its own counsel;

(c) Pay the Trustee the fees set forth on Schedule A hereto, including an initial acceptance fee, annual administration fee, and transaction processing fee which fees shall be subject to modification by the parties from time to time. It is expressly understood that the Property shall not be used to pay such fees unless and until it is distributed to the Company pursuant to Sections 1(i) through 1(k) hereof. The Company shall pay the Trustee the initial acceptance fee and the first annual administration fee at the consummation of the Offering. The Company shall not be responsible for any other fees or charges of the Trustee except as set forth in this Section 2(c), and as may be provided in Section 2(b) hereof;

(d) In connection with any vote of the Company's shareholders regarding a merger, share exchange, asset acquisition, share purchase, reorganization or similar business combination involving the Company and one or more businesses (the "**Business Combination**"), provide to the Trustee an affidavit or certificate of the inspector of elections for the shareholder meeting verifying the vote of such shareholders regarding such Business Combination;

(e) Provide the Representative with a copy of any Termination Letter(s) and/or any other correspondence that is sent to the Trustee with respect to any proposed withdrawal from the Trust Account promptly after it issues the same;

(f) Unless otherwise agreed between the Company and the Representative, ensure that any Instruction Letter (as defined in Exhibit A) delivered in connection with a Termination Letter in the form of Exhibit A expressly provides that the Deferred Discount is paid directly to the account or accounts directed by the Representative on behalf of the Underwriter prior to any transfer of the funds held in the Trust Account to the Company or any other person;

(g) Instruct the Trustee to make only those distributions that are permitted under this Agreement, and refrain from instructing the Trustee to make any distributions that are not permitted under this Agreement;

(h) If the Company seeks to amend any provisions of its amended and restated memorandum and articles of association (A) to modify the substance or timing of the Company's obligation to provide holders of the Ordinary Shares the right to have their shares redeemed in connection with the Company's initial Business Combination or to redeem 100% of the Ordinary Shares if the Company does not complete its initial Business Combination within the time period set forth therein or (B) with respect to any other provision relating to the rights of holders of the Ordinary Shares (in each case, an "**Amendment**"), the Company will provide the Trustee with a letter (an "**Amendment Notification Letter**") in the form of Exhibit D providing instructions for the distribution of funds to Public Shareholders who exercise their redemption option and properly tender their shares in connection with such Amendment; and

(i) Within five (5) business days after the Underwriter exercise the over-allotment option (or any unexercised portion thereof) or such over-allotment option expires, provide the Trustee with a notice in writing of the total amount of the Deferred Discount, which shall in no event be less than \$3,500,000.

3. Limitations of Liability. The Trustee shall have no responsibility or liability to:

(a) Imply obligations, perform duties, inquire or otherwise be subject to the provisions of any agreement or document other than this Agreement and that which is expressly set forth herein;

- (b) Take any action with respect to the Property, other than as directed in Section 1 hereof, and the Trustee shall have no liability to any third party except for liability arising out of the Trustee's gross negligence, fraud or willful misconduct;
- (c) Institute any proceeding for the collection of any principal and income arising from, or institute, appear in or defend any proceeding of any kind with respect to, any of the Property unless and until it shall have received written instructions from the Company given as provided herein to do so and the Company shall have advanced or guaranteed to it funds sufficient to pay any expenses incident thereto;
- (d) Change the investment of any Property, other than in compliance with Section 1 hereof;
- (e) Refund any depreciation in principal of any Property;
- (f) Assume that the authority of any person designated by the Company to give instructions hereunder shall not be continuing unless provided otherwise in such designation, or unless the Company shall have delivered a written revocation of such authority to the Trustee;
- (g) The other parties hereto or to anyone else for any action taken or omitted by it, or any action suffered by it to be taken or omitted, in good faith and in the Trustee's best judgment, except for the Trustee's gross negligence, fraud or willful misconduct. The Trustee may rely conclusively and shall be protected in acting upon any order, notice, demand, certificate, opinion or advice of counsel (including counsel chosen by the Trustee with written notification to the Company, which counsel may be the Company's counsel), statement, instrument, report or other paper or document (not only as to its due execution and the validity and effectiveness of its provisions, but also as to the truth and acceptability of any information therein contained) which the Trustee believes, in good faith and with reasonable care, to be genuine and to be signed or presented by the proper person or persons. The Trustee shall not be bound by any notice or demand, or any waiver, modification, termination or rescission of this Agreement or any of the terms hereof, unless evidenced by a written instrument delivered to the Trustee, signed by the proper party or parties and, if the duties or rights of the Trustee are affected, unless it shall give its prior written consent thereto;
- (h) Verify the accuracy of the information contained in the Registration Statement;

The Company shall notify you at least seventy-two (72) hours in advance of the actual date (or such shorter time period as you may agree) of the consummation of the Business Combination (the “Consummation Date”). Capitalized terms used but not defined herein shall have the meanings set forth in the Trust Agreement.

In accordance with the terms of the Trust Agreement, we hereby authorize you to commence to liquidate all of the assets of the Trust Account, and to transfer the proceeds into the trust operating account at J.P. Morgan Chase Bank, N.A. to the effect that, on the Consummation Date, all of the funds held in the Trust Account will be immediately available for transfer to the account or accounts that the Representative (with respect to the Deferred Discount) and the Company shall direct on the Consummation Date. It is acknowledged and agreed that while the funds are on deposit in said trust operating account at J.P. Morgan Chase Bank, N.A. awaiting distribution, neither the Company nor the Representative will earn any interest or dividends.

On the Consummation Date (i) counsel for the Company shall deliver to you written notification that the Business Combination has been consummated, or will be consummated substantially concurrently with your transfer of funds to the accounts as directed by the Company (the “Notification”), and (ii) the Company shall deliver to you (a) a certificate of the Chief Executive Officer, Chief Financial Officer or other authorized officer of the Company, which verifies that the Business Combination has been approved by a vote of the Company’s shareholders, if a vote is held and (b) a joint written instruction signed by the Company and the Representative with respect to the transfer of the funds held in the Trust Account, including payment of amounts owed to public shareholders who have properly exercised their redemption rights and payment of the Deferred Discount directly to the account or accounts directed by the Representative from the Trust Account (the “Instruction Letter”). You are hereby directed and authorized to transfer the funds held in the Trust Account immediately upon your receipt of the Notification and the Instruction Letter, in accordance with the terms of the Instruction Letter. In the event that certain deposits held in the Trust Account may not be liquidated by the Consummation Date without penalty, you will notify the Company in writing of the same and the Company shall direct you as to whether such funds should remain in the Trust Account and be distributed after the Consummation Date to the Company. Upon the distribution of all the funds, net of any payments necessary for reasonable unreimbursed expenses related to liquidating the Trust Account, your obligations under the Trust Agreement shall be terminated.

In the event that the Business Combination is not consummated on the Consummation Date described in the notice thereof and we have not notified you on or before the original Consummation Date of a new Consummation Date, then upon receipt by the Trustee of written instructions from the Company, the funds held in the Trust Account shall be reinvested as provided in Section 1(c) of the Trust Agreement on the business day immediately following the Consummation Date as set forth in such notice as soon thereafter as possible.

Under no circumstances shall the Company be obligated to effect more than an aggregate of three (3) Registrations pursuant to a Demand Registration under this subsection 2.1.1 with respect to any or all Registrable Securities; provided, however, that a Registration shall not be counted for such purposes unless a Form S-1 or any similar long-form registration statement that may be available at such time (“*Form S-1*”) has become effective and all of the Registrable Securities requested by the Requesting Holders to be registered on behalf of the Requesting Holders in such Form S-1 Registration have been sold, in accordance with Section 3.1 of this Agreement; provided, further, that an Underwritten Shelf Takedown shall not count as a Demand Registration.

2.1.2 Effective Registration. Notwithstanding the provisions of subsection 2.1.1 above or any other part of this Agreement, a Registration pursuant to a Demand Registration shall not count as a Registration unless and until (i) the Registration Statement filed with the Commission with respect to a Registration pursuant to a Demand Registration has been declared effective by the Commission and (ii) the Company has complied with all of its obligations under this Agreement with respect thereto; provided, further, that if, after such Registration Statement has been declared effective, an offering of Registrable Securities in a Registration pursuant to a Demand Registration is subsequently interfered with by any stop order or injunction of the Commission, federal or state court or any other governmental agency the Registration Statement with respect to such Registration shall be deemed not to have been declared effective, unless and until, (i) such stop order or injunction is removed, rescinded or otherwise terminated and (ii) a majority-in-interest of the Demanding Holders initiating such Demand Registration thereafter affirmatively elect to continue with such Registration and accordingly notify the Company in writing, but in no event later than five (5) days, of such election; provided, further, that the Company shall not be obligated or required to file another Registration Statement until the Registration Statement that has been previously filed with respect to a Registration pursuant to a Demand Registration becomes effective or is subsequently terminated.

2.1.3 Underwritten Offering. All such Holders proposing to distribute their Registrable Securities through an Underwritten Offering under this subsection 2.1.3 shall enter into an underwriting agreement in customary form with the Underwriter(s) selected for such Underwritten Offering by the majority-in-interest of the Demanding Holders initiating the Demand Registration.

2.1.4 Reduction of Underwritten Offering. If the managing Underwriter or Underwriters in an Underwritten Registration pursuant to a Demand Registration, in good faith, advises the Company, the Demanding Holders and the Requesting Holders (if any) in writing that the dollar amount or number of Registrable Securities that the Demanding Holders and the Requesting Holders (if any) desire to sell, taken together with all other Ordinary Shares or other equity securities that the Company desires to sell and the Ordinary Shares, if any, as to which a Registration has been requested pursuant to separate written contractual piggy-back registration rights held by any other shareholders who desire to sell, exceeds the maximum dollar amount or maximum number of equity securities that can be sold in the Underwritten Offering without adversely affecting the proposed offering price, the timing, the distribution method, or the probability of success of such offering (such maximum dollar amount or maximum number of such securities, as applicable, the "**Maximum Number of Securities**"), then the Company shall include in such Underwritten Offering, as follows: (i) first, the Registrable Securities of the Demanding Holders and the Requesting Holders (if any) (pro rata based on the respective number of Registrable Securities that each Demanding Holder and Requesting Holder (if any) has requested be included in such Underwritten Registration and the aggregate number of Registrable Securities that the Demanding Holders and Requesting Holders have requested be included in such Underwritten Registration (such proportion is referred to herein as "**Pro Rata**")) that can be sold without exceeding the Maximum Number of Securities; (ii) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (i), the Ordinary Shares or other equity securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; and (iii) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (i) and (ii), the Ordinary Shares or other equity securities of other persons or entities that the Company is obligated to register in a Registration pursuant to separate written contractual arrangements with such persons and that can be sold without exceeding the Maximum Number of Securities.

2.1.5 Demand Registration Withdrawal. A majority-in-interest of the Demanding Holders initiating a Demand Registration or a majority-in-interest of the Requesting Holders (if any), pursuant to a Registration under subsection 2.1.1 shall have the right to withdraw from a Registration pursuant to such Demand Registration for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of their intention to withdraw from such Registration prior to the effectiveness of the Registration Statement filed with the Commission with respect to the Registration of their Registrable Securities pursuant to such Demand Registration. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with a Registration pursuant to a Demand Registration prior to its withdrawal under this subsection 2.1.5.

## 2.2 Piggyback Registration.

2.2.1 Piggyback Rights. If, at any time on or after the date the Company consummates a Business Combination, the Company proposes to file a Registration Statement under the Securities Act with respect to an offering of equity securities, or securities or other obligations exercisable or exchangeable for, or convertible into equity securities, for its own account or for the account of shareholders of the Company (or by the Company and by the shareholders of the Company including, without limitation, pursuant to Section 2.1 hereof), other than a Registration Statement (i) filed in connection with any employee stock option or other benefit plan, (ii) for an exchange offer or offering of securities solely to the Company's existing shareholders, (iii) for an offering of debt that is convertible into equity securities of the Company or (iv) for a dividend reinvestment plan, then the Company shall give written notice of such proposed filing to all of the Holders of Registrable Securities as soon as practicable but not less than seven (7) days before the anticipated filing date of such Registration Statement, which notice shall (A) describe the amount and type of securities to be included in such offering, the intended method(s) of distribution, and the name of the proposed managing Underwriter or Underwriters, if any, in such offering, and (B) offer to all of the Holders of Registrable Securities the opportunity to register the sale of such number of Registrable Securities as such Holders may request in writing within three (3) business days after receipt of such written notice (such Registration a "**Piggyback Registration**"). The Company shall, in good faith, cause such Registrable Securities to be included in such Piggyback Registration and shall use its best efforts to cause the managing Underwriter or Underwriters of a proposed Underwritten Offering to permit the Registrable Securities requested by the Holders pursuant to this subsection 2.2.1 to be included in a Piggyback Registration on the same terms and conditions as any similar securities of the Company included in such Registration and to permit the sale or other disposition of such Registrable Securities in accordance with the intended method(s) of distribution thereof. All such Holders proposing to distribute their Registrable Securities through an Underwritten Offering under this subsection 2.2.1 shall enter into an underwriting agreement in customary form with the Underwriter(s) selected for such Underwritten Offering by the Company. The notice periods set forth in this subsection 2.2.1 shall not apply to an Underwritten Shelf Takedown conducted in accordance with subsection 2.3.3.

2.2.2 Reduction of Piggyback Registration. If the managing Underwriter or Underwriters in an Underwritten Registration that is to be a Piggyback Registration (other than Underwritten Shelf Takedown), in good faith, advises the Company and the Holders of Registrable Securities participating in the Piggyback Registration in writing that the dollar amount or number of the Ordinary Shares that the Company desires to sell, taken together with (i) the Ordinary Shares, if any, as to which Registration has been demanded pursuant to separate written contractual arrangements with persons or entities other than the Holders of Registrable Securities hereunder, (ii) the Registrable Securities as to which registration has been requested pursuant Section 2.2 hereof, and (iii) the Ordinary Shares, if any, as to which Registration has been requested pursuant to separate written contractual piggy-back registration rights of other shareholders of the Company, exceeds the Maximum Number of Securities, then:

(a) If the Registration is undertaken for the Company's account, the Company shall include in any such Registration (A) first, the Ordinary Shares or other equity securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; and (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to subsection 2.2.1 hereof, Pro Rata based on the respective number of Registrable Securities that each Holder has so requested exercising its rights to register its Registrable Securities pursuant to subsection 2.2.1 hereof, which can be sold without exceeding the Maximum Number of Securities; and (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the Ordinary Shares, if any, as to which Registration has been requested pursuant to written contractual piggy-back registration rights of other shareholders of the Company, which can be sold without exceeding the Maximum Number of Securities;

(b) If the Registration is pursuant to a request by persons or entities other than the Holders of Registrable Securities, then the Company shall include in any such Registration (A) first, the Ordinary Shares or other equity securities, if any, of such requesting persons or entities, other than the Holders of Registrable Securities, which can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to subsection 2.2.1, Pro Rata, which can be sold without exceeding the Maximum Number of Securities; (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the Ordinary Shares or other equity securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; and (D) fourth, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A), (B) and (C), the Ordinary Shares or other equity securities for the account of other persons or entities that the Company is obligated to register pursuant to separate written contractual arrangements with such persons or entities, which can be sold without exceeding the Maximum Number of Securities.

2.2.3 Piggyback Registration Withdrawal. Any Holder of Registrable Securities shall have the right to withdraw from a Piggyback Registration for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of his, her or its intention to withdraw from such Piggyback Registration prior to the effectiveness of the Registration Statement filed with the Commission with respect to such Piggyback Registration. The Company (whether on its own good faith determination or as the result of a request for withdrawal by persons pursuant to separate written contractual obligations) may withdraw a Registration Statement filed with the Commission in connection with a Piggyback Registration at any time prior to the effectiveness of such Registration Statement. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with the Piggyback Registration prior to its withdrawal under this subsection 2.2.3.

2.2.4 Unlimited Piggyback Registration Rights. For purposes of clarity, any Registration effected pursuant to Section 2.2 hereof shall not be counted as a Registration pursuant to a Demand Registration effected under Section 2.1 hereof.

## 2.3 Shelf Registrations.

2.3.1 The Holders of Registrable Securities may at any time, and from time to time, request in writing that the Company, pursuant to Rule 415 under the Securities Act (or any successor rule promulgated thereafter by the Commission), register the resale of any or all of their Registrable Securities on Form S-3 or similar short form registration statement that may be available at such time ("**Form S-3**"), or if the Company is ineligible to use Form S-3, on Form S-1; a registration statement filed pursuant to this subsection 2.3.1 (a "**Shelf**") shall provide for the resale of the Registrable Securities included therein pursuant to any method or combination of methods legally available to, and requested by, any Holder. Within three (3) days of the Company's receipt of a written request from a Holder or Holders of Registrable Securities for a Registration on a Shelf, the Company shall promptly give written notice of the proposed Registration to all other Holders of Registrable Securities, and each Holder of Registrable Securities who thereafter wishes to include all or a portion of such Holder's Registrable Securities in such Registration shall so notify the Company, in writing, within three (3) business days after the receipt by the Holder of the notice from the Company. As soon as practicable thereafter, but not more than ten (10) days after the Company's initial receipt of such written request for a Registration on a Shelf, the Company shall register all or such portion of such Holder's Registrable Securities as are specified in such written request, together with all or such portion of Registrable Securities of any other Holder or Holders joining in such request as are specified in the written notification given by such Holder or Holders; provided, however, that the Company shall not be obligated to effect any such Registration pursuant to this subsection 2.3.1 if the Holders of Registrable Securities, together with the Holders of any other equity securities of the Company entitled to inclusion in such Registration, propose to sell the Registrable Securities and such other equity securities (if any) at any aggregate price to the public of less than \$10,000,000. The Company shall maintain each Shelf in accordance with the terms hereof, and shall prepare and file with the Commission such amendments, including post-effective amendments, and supplements as may be necessary to keep such Shelf continuously effective, available for use and in compliance with the provisions of the Securities Act until such time as there are no longer any Registrable Securities included on such Shelf. In the event the Company files a Shelf on Form S-1, the Company shall use its commercially reasonable efforts to convert the Form S-1 to a Form S-3 as soon as practicable after the Company is eligible to use Form S-3.

2.3.2 If any Shelf ceases to be effective under the Securities Act for any reason at any time while Registrable Securities included thereon are still outstanding, the Company shall use its commercially reasonable efforts to as promptly as is reasonably practicable cause such Shelf to again become effective under the Securities Act (including obtaining the prompt withdrawal of any order suspending the effectiveness of such Shelf), and shall use its commercially reasonable efforts to as promptly as is reasonably practicable amend such Shelf in a manner reasonably expected to result in the withdrawal of any order suspending the effectiveness of such Shelf or file an additional registration statement (a "**Subsequent Shelf Registration**") registering the resale of all Registrable Securities including on such Shelf, and pursuant to any method or combination of methods legally available to, and requested by, any Holder. If a Subsequent Shelf Registration is filed, the Company shall use its commercially reasonable efforts to (i) cause such Subsequent Shelf Registration to become effective under the Securities Act as promptly as is reasonably practicable after the filing thereof and (ii) keep such Subsequent Shelf Registration continuously effective, available for use and in compliance with the provisions of the Securities Act until such time as there are no longer any Registrable Securities included thereon. Any such Subsequent Shelf Registration shall be on Form S-3 to the extent that the Company is eligible to use such form. Otherwise, such Subsequent Shelf Registration shall be on another appropriate form. In the event that any Holder holds Registrable Securities that are not registered for resale on a delayed or continuous basis, the Company, upon request of a Holder shall promptly use its commercially reasonable efforts to cause the resale of such Registrable Securities to be covered by either, at the Company's option, a Shelf (including by means of a post-effective amendment) or a Subsequent Shelf Registration and cause the same to become effective as soon as practicable after such filing and such Shelf or Subsequent Shelf Registration shall be subject to the terms hereof; provided, however, the Company shall only be required to cause such Registrable Securities to be so covered once annually after inquiry of the Holders.

2.3.3 At any time and from time to time after a Shelf has been declared effective by the Commission, the Sponsor may request to sell all or any portion of its Registrable Securities in an underwritten offering that is registered pursuant to the Shelf (each, an “**Underwritten Shelf Takedown**”); provided that the Company shall only be obligated to effect an Underwritten Shelf Takedown if such offering shall include securities with a total offering price (including piggyback securities and before deduction of underwriting discounts) reasonably expected to exceed, in the aggregate, \$10,000,000. All requests for Underwritten Shelf Takedowns shall be made by giving written notice to the Company at least 48 hours prior to the public announcement of such Underwritten Shelf Takedown, which shall specify the approximate number of Registrable Securities proposed to be sold in the Underwritten Shelf Takedown and the expected price range (net of underwriting discounts and commissions) of such Underwritten Shelf Takedown. The Company shall include in any Underwritten Shelf Takedown the securities requested to be included by any holder (each a “**Takedown Requesting Holder**”) at least 24 hours prior to the public announcement of such Underwritten Shelf Takedown pursuant to written contractual piggyback registration rights of such holder (including to those set forth herein). The Sponsor and the Takedown Requesting Holders (if any) shall have the right to select the underwriter(s) for such offering (which shall consist of one or more reputable nationally recognized investment banks), subject to the Company’s prior approval which shall not be unreasonably withheld, conditioned or delayed. For purposes of clarity, any Registration effected pursuant to this subsection 2.3.3 shall not be counted as a Registration pursuant to a Demand Registration effected under Section 2.1 hereof.

2.3.4 If the managing Underwriter or Underwriters in an Underwritten Shelf Takedown, in good faith, advises the Company, the Sponsor and the Takedown Requesting Holders (if any) in writing that the dollar amount or number of Registrable Securities that the Sponsor and the Takedown Requesting Holders (if any) desire to sell, taken together with all other Ordinary Shares or other equity securities that the Company desires to sell, exceeds the Maximum Number of Securities, then the Company shall include in such Underwritten Shelf Takedown, as follows: (i) first, the Registrable Securities of the Sponsor that can be sold without exceeding the Maximum Number of Securities; (ii) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (i), the Ordinary Shares or other equity securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; and (iii) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (i) and (ii), the Ordinary Shares or other equity securities of the Takedown Requesting Holders, if any, that can be sold without exceeding the Maximum Number of Securities, determined Pro Rata based on the respective number of Registrable Securities that each Takedown Requesting Holder has so requested to be included in such Underwritten Shelf Takedown.

2.3.5 The Sponsor and the Takedown Requesting Holders (if any) shall have the right to withdraw from an Underwritten Shelf Takedown for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of its intention to withdraw from such Underwritten Shelf Takedown prior to the public announcement of such Underwritten Shelf Takedown. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with an Underwritten Shelf Takedown prior to a withdrawal under this subsection 2.3.5.

2.4 Restrictions on Registration Rights. If (A) during the period starting with the date sixty (60) days prior to the Company’s good faith estimate of the date of the filing of, and ending on a date one hundred and twenty (120) days after the effective date of, a Company initiated Registration and provided that the Company has delivered written notice to the Holders prior to receipt of a Demand Registration pursuant to subsection 2.1.1 and it continues to actively employ, in good faith, all reasonable efforts to cause the applicable Registration Statement to become effective; (B) the Holders have requested an Underwritten Registration and the Company and the Holders are unable to obtain the commitment of underwriters to firmly underwrite the offer; or (C) in the good faith judgment of the Board such Registration would be seriously detrimental to the Company and the Board concludes as a result that it is essential to defer the filing of such Registration Statement at such time, then in each case the Company shall furnish to such Holders a certificate signed by the Chairman of the Board stating that in the good faith judgment of the Board it would be seriously detrimental to the Company for such Registration Statement to be filed in the near future and that it is therefore essential to defer the filing of such Registration Statement. In such event, the Company shall have the right to defer such filing for a period of not more than thirty (30) days; provided, however, that the Company shall not defer its obligation in this manner more than once in any 12-month period. Notwithstanding anything to the contrary contained in this Agreement, the Company shall not be required to effect or permit any Registration or cause any Registration Statement to become effective, with respect to any Registrable Securities held by any Holder, until after the expiration of the Founder Shares Lock-Up Period or the Private Placement Lock-Up Period, as the case may be.

## ARTICLE 3 COMPANY PROCEDURES

3.1 General Procedures. If at any time on or after the date the Company consummates an initial Business Combination the Company is required to effect the Registration of Registrable Securities, the Company shall use its best efforts to effect such Registration to permit the sale of such Registrable Securities in accordance with the intended plan of distribution thereof, and pursuant thereto the Company shall, as expeditiously as possible:

3.1.1 prepare and file with the Commission as soon as practicable a Registration Statement with respect to such Registrable Securities and use its reasonable best efforts to cause such Registration Statement to become effective and remain effective until all Registrable Securities covered by such Registration Statement have been sold;

3.1.2 prepare and file with the Commission such amendments and post-effective amendments to the Registration Statement, and such supplements to the Prospectus, as may be requested by the Holders or any Underwriter of Registrable Securities or as may be required by the rules, regulations or instructions applicable to the registration form used by the Company or by the Securities Act or rules and regulations thereunder to keep the Registration Statement effective until all Registrable Securities covered by such Registration Statement are sold in accordance with the intended plan of distribution set forth in such Registration Statement or supplement to the Prospectus;

3.1.3 prior to filing a Registration Statement or Prospectus, or any amendment or supplement thereto, furnish without charge to the Underwriters, if any, and the Holders of Registrable Securities included in such Registration, and such Holders' legal counsel, copies of such Registration Statement as proposed to be filed, each amendment and supplement to such Registration Statement (in each case including all exhibits thereto and documents incorporated by reference therein), the Prospectus included in such Registration Statement (including each preliminary Prospectus), and such other documents as the Underwriters and the Holders of Registrable Securities included in such Registration or the legal counsel for any such Holders may request in order to facilitate the disposition of the Registrable Securities owned by such Holders;

3.1.4 prior to any public offering of Registrable Securities, use its best efforts to (i) register or qualify the Registrable Securities covered by the Registration Statement under such securities or "blue sky" laws of such jurisdictions in the United States as the Holders of Registrable Securities included in such Registration Statement (in light of their intended plan of distribution) may request and (ii) take such action necessary to cause such Registrable Securities covered by the Registration Statement to be registered with or approved by such other governmental authorities as may be necessary by virtue of the business and operations of the Company and do any and all other acts and things that may be necessary or advisable to enable the Holders of Registrable Securities included in such Registration Statement to consummate the disposition of such Registrable Securities in such jurisdictions; provided, however, that the Company shall not be required to qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify or take any action to which it would be subject to general service of process or taxation in any such jurisdiction where it is not then otherwise so subject;

- 3.1.5 cause all such Registrable Securities to be listed on each securities exchange or automated quotation system on which similar securities issued by the Company are then listed;
- 3.1.6 provide a transfer agent or warrant agent, as applicable, and registrar for all such Registrable Securities no later than the effective date of such Registration Statement;
- 3.1.7 advise each seller of such Registrable Securities, promptly after it shall receive notice or obtain knowledge thereof, of the issuance of any stop order by the Commission suspending the effectiveness of such Registration Statement or the initiation or threatening of any proceeding for such purpose and promptly use its reasonable best efforts to prevent the issuance of any stop order or to obtain its withdrawal if such stop order should be issued;
- 3.1.8 at least five (5) days prior to the filing of any Registration Statement or Prospectus or any amendment or supplement to such Registration Statement or Prospectus (other than by way of a document incorporated by reference) furnish a copy thereof to each seller of such Registrable Securities or its counsel;
- 3.1.9 notify the Holders at any time when a Prospectus relating to such Registration Statement is required to be delivered under the Securities Act, of the happening of any event as a result of which the Prospectus included in such Registration Statement, as then in effect, includes a Misstatement, and then to correct such Misstatement as set forth in Section 3.4 hereof;
- 3.1.10 permit a representative of the Holders, the Underwriters, if any, and any attorney or accountant retained by such Holders or Underwriter to participate, at each such person's own expense, in the preparation of the Registration Statement, and cause the Company's officers, directors and employees to supply all information reasonably requested by any such representative, Underwriter, attorney or accountant in connection with the Registration; provided, however, that such representatives or Underwriters enter into a confidentiality agreement, in form and substance reasonably satisfactory to the Company, prior to the release or disclosure of any such information;
- 3.1.11 obtain a "cold comfort" letter from the Company's independent registered public accountants in the event of an Underwritten Registration, in customary form and covering such matters of the type customarily covered by "cold comfort" letters as the managing Underwriter may reasonably request, and reasonably satisfactory to a majority-in-interest of the participating Holders;
- 3.1.12 on the date the Registrable Securities are delivered for sale pursuant to such Registration, obtain an opinion, dated such date, of counsel representing the Company for the purposes of such Registration, addressed to the Holders, the placement agent or sales agent, if any, and the Underwriters, if any, covering such legal matters with respect to the Registration in respect of which such opinion is being given as the Holders, placement agent, sales agent, or Underwriter may reasonably request and as are customarily included in such opinions and negative assurance letters, and reasonably satisfactory to a majority in interest of the participating Holders;
- 3.1.13 in the event of any Underwritten Offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing Underwriter of such offering;
- 3.1.14 make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve (12) months beginning with the first day of the Company's first full calendar quarter after the effective date of the Registration Statement which satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (or any successor rule promulgated thereafter by the Commission);

3.1.15 if the Registration involves the Registration of Registrable Securities involving gross proceeds in excess of \$50,000,000, use its reasonable efforts to make available senior executives of the Company to participate in customary “road show” presentations that may be reasonably requested by the Underwriter in any Underwritten Offering; and

3.1.16 otherwise, in good faith, cooperate reasonably with, and take such customary actions as may reasonably be requested by the Holders, in connection with such Registration.

3.2 Registration Expenses. The Registration Expenses of all Registrations shall be borne by the Company. It is acknowledged by the Holders that the Holders shall bear all incremental selling expenses relating to the sale of Registrable Securities, such as Underwriters’ commissions and discounts, brokerage fees, Underwriter marketing costs and, other than as set forth in the definition of “Registration Expenses,” all reasonable fees and expenses of any legal counsel representing the Holders.

3.3 Requirements for Participation in Underwritten Offerings. No person may participate in any Underwritten Offering for equity securities of the Company pursuant to a Registration initiated by the Company hereunder unless such person (i) agrees to sell such person’s securities on the basis provided in any underwriting arrangements approved by the Company and (ii) completes and executes all customary questionnaires, powers of attorney, indemnities, lock-up agreements, underwriting agreements and other customary documents as may be reasonably required under the terms of such underwriting arrangements.

3.4 Suspension of Sales; Adverse Disclosure. Upon receipt of written notice from the Company that a Registration Statement or Prospectus contains a Misstatement, each of the Holders shall forthwith discontinue disposition of Registrable Securities until he, she or it has received copies of a supplemented or amended Prospectus correcting the Misstatement (it being understood that the Company hereby covenants to prepare and file such supplement or amendment as soon as practicable after the time of such notice), or until he, she or it is advised in writing by the Company that the use of the Prospectus may be resumed. If the filing, initial effectiveness or continued use of a Registration Statement in respect of any Registration at any time would require the Company to make an Adverse Disclosure or would require the inclusion in such Registration Statement of financial statements that are unavailable to the Company for reasons beyond the Company’s control, the Company may, upon giving prompt written notice of such action to the Holders, delay the filing or initial effectiveness of, or suspend use of, such Registration Statement for the shortest period of time, but in no event more than thirty (30) days, determined in good faith by the Company to be necessary for such purpose. In the event the Company exercises its rights under the preceding sentence, the Holders agree to suspend, immediately upon their receipt of the notice referred to above, their use of the Prospectus relating to any Registration in connection with any sale or offer to sell Registrable Securities. The Company shall immediately notify the Holders of the expiration of any period during which it exercised its rights under this Section 3.4.

3.5 Reporting Obligations. As long as any Holder shall own Registrable Securities, the Company, at all times while it shall be a reporting company under the Exchange Act, covenants to file timely (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to Sections 13(a) or 15(d) of the Exchange Act and to promptly furnish the Holders with true and complete copies of all such filings. The Company further covenants that it shall take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell Ordinary Shares held by such Holder without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 promulgated under the Securities Act (or any successor rule promulgated thereafter by the Commission, to the extent that such rule or such successor rule is available to the Company), including providing any legal opinions. Upon the request of any Holder, the Company shall deliver to such Holder a written certification of a duly authorized officer as to whether it has complied with such requirements.

## ARTICLE 4 INDEMNIFICATION AND CONTRIBUTION

### 4.1 Indemnification.

4.1.1 The Company agrees to indemnify, to the extent permitted by law, each Holder of Registrable Securities, its officers and directors and each person who controls such Holder (within the meaning of the Securities Act) against all losses, claims, damages, liabilities and expenses (including attorneys' fees) caused by any untrue or alleged untrue statement of material fact contained in any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as the same are caused by or contained in any information furnished in writing to the Company by such Holder expressly for use therein. The Company shall indemnify the Underwriters, their officers and directors and each person who controls such Underwriters (within the meaning of the Securities Act) to the same extent as provided in the foregoing with respect to the indemnification of the Holder.

4.1.2 In connection with any Registration Statement in which a Holder of Registrable Securities is participating, such Holder shall furnish to the Company in writing such information and affidavits as the Company reasonably requests for use in connection with any such Registration Statement or Prospectus and, to the extent permitted by law, shall indemnify the Company, its directors and officers and agents and each person who controls the Company (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and expenses (including without limitation reasonable attorneys' fees) resulting from any untrue or alleged untrue statement of material fact contained in the Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is contained in any information or affidavit so furnished in writing by such Holder expressly for use therein; provided, however, that the obligation to indemnify shall be several, not joint and several, among such Holders of Registrable Securities, and the liability of each such Holder of Registrable Securities shall be in proportion to and limited to the net proceeds received by such Holder from the sale of Registrable Securities pursuant to such Registration Statement. The Holders of Registrable Securities shall indemnify the Underwriters, their officers, directors and each person who controls such Underwriters (within the meaning of the Securities Act) to the same extent as provided in the foregoing with respect to indemnification of the Company.

4.1.3 Any person entitled to indemnification herein shall (i) give prompt written notice to the indemnifying party of any claim with respect to which he, she or it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's right to indemnification hereunder to the extent such failure has not materially prejudiced the indemnifying party) and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

4.1.4 The indemnification provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling person of such indemnified party and shall survive the transfer of securities. The Company and each Holder of Registrable Securities participating in an offering also agrees to make such provisions as are reasonably requested by any indemnified party for contribution to such party in the event the Company's or such Holder's indemnification is unavailable for any reason.

4.1.5 If the indemnification provided under Section 4.1 hereof from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities and expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by, or relates to information supplied by, such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action; provided, however, that the liability of any Holder under this subsection 4.1.5 shall be limited to the amount of the net proceeds received by such Holder in such offering giving rise to such liability. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in subsections 4.1.1, 4.1.2 and 4.1.3 above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. The parties hereto agree that it would not be just and equitable if contribution pursuant to this subsection 4.1.5 were determined by pro rata allocation or by any other method of allocation, which does not take account of the equitable considerations referred to in this subsection 4.1.5. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this subsection 4.1.5 from any person who was not guilty of such fraudulent misrepresentation.

#### ARTICLE 5 SHAREHOLDER RIGHTS

5.1 Subject to the terms and conditions of this Agreement, at any time and from time to time on or after the date that the Company consummates an initial Business Combination and for so long as the Sponsor holds any Registrable Securities:

5.1.1 The Sponsor shall have the right, but not the obligation, to designate three individuals to be appointed or nominated, as the case may be, for election to the Board (including any successor, each, a "*Nominee*") by giving written notice to the Company on or before the time such information is reasonably requested by the Board or the Nominating Committee of the Board, as applicable, for inclusion in a proxy statement for a meeting of shareholders provided to the Sponsor.

5.1.2 The Company will, as promptly as practicable, use its best efforts to take all necessary and desirable actions (including, without limitation, calling special meetings of the Board and the shareholders and recommending, supporting and soliciting proxies) so that each Nominee shall be serving on the Board at all times.

5.1.3 The Company shall, to the fullest extent permitted by applicable law, use its best efforts to take all actions necessary to ensure that: (i) each Nominee is included in the Board's slate of nominees to the shareholders of the Company for each election of Directors; and (ii) each Nominee is included in the proxy statement prepared by management of the Company in connection with soliciting proxies for every meeting of the shareholders of the Company called with respect to the election of members of the Board, and at every adjournment or postponement thereof, and on every action or approval by written consent of the shareholders of the Company or the Board with respect to the election of members of the Board.

5.1.4 If a vacancy occurs because of the death, disability, disqualification, resignation, or removal of a Nominee or for any other reason, the Sponsor shall be entitled to designate such person's successor, and the Company will, as promptly as practicable following such designation, use its best efforts to take all necessary and desirable actions, to the fullest extent permitted by law, within its control such that such vacancy shall be filled with such successor Nominee.

5.1.5 If a Nominee is not elected because of such Nominee's death, disability, disqualification, withdrawal as a nominee or for any other reason, the Sponsor shall be entitled to designate promptly another Nominee and the Company will take all necessary and desirable actions within its control such that the director position for which such Nominee was nominated shall not be filled pending such designation or the size of the Board shall be increased by one and such vacancy shall be filled with such successor Nominee as promptly as practicable following such designation.

5.1.6 As promptly as reasonably practicable following the request of any Sponsor Director, the Company shall enter into an indemnification agreement with such Nominee, in the form entered into with the other members of the Board. The Company shall pay the reasonable, documented out-of-pocket expenses incurred by the Nominee in connection with his or her services provided to or on behalf of the Company, including attending meetings or events attended explicitly on behalf of the Company at the Company's request.

5.1.7 The Company shall (i) purchase directors' and officers' liability insurance in an amount determined by the Board to be reasonable and customary and (ii) for so long as a Nominee serves as a Director of the Company, maintain such coverage with respect to such Nominee; *provided that* upon removal or resignation of such Nominee for any reason, the Company shall take all actions reasonably necessary to extend such directors' and officers' liability insurance coverage for a period of not less than six (6) years from any such event in respect of any act or omission occurring at or prior to such event.

5.1.8 For so long as a Nominee serves on the Board, the Company shall not amend, alter or repeal any right to indemnification or exculpation covering or benefiting any Nominee nominated pursuant to this Agreement as and to the extent consistent with applicable law, whether such right is contained in the Company's amended and restated memorandum and articles of association, each as amended, or another document (except to the extent such amendment or alteration permits the Company to provide broader indemnification or exculpation rights on a retroactive basis than permitted prior thereto).

5.1.9 Each Nominee may, but does not need to qualify as “independent” pursuant to listing standards of the New York Stock Exchange (or such other national securities exchange upon which the Company’s securities are then listed).

5.1.10 Any Nominee will be subject to the Company’s customary due diligence process, including its review of a completed questionnaire and a background check. Based on the foregoing, the Company may object to any Nominee provided (a) it does so in good faith, and (b) such objection is based upon any of the following: (i) such Nominee was convicted in a criminal proceeding or is a named subject of a pending criminal proceeding (excluding traffic violations and other minor offenses), (ii) such Nominee was the subject of any order, judgment, or decree not subsequently reversed, suspended or vacated of any court of competent jurisdiction, permanently or temporarily enjoining such proposed director from, or otherwise limiting, the following activities: (A) engaging in any type of business practice, or (B) engaging in any activity in connection with the purchase or sale of any security or in connection with any violation of federal or state securities laws, (iii) such Nominee was the subject of any order, judgment or decree, not subsequently reversed, suspended or vacated, of any federal or state authority barring, suspending or otherwise limiting for more than sixty (60) days the right of such person to engage in any activity described in clause (ii)(B), or to be associated with persons engaged in such activity, (iv) such proposed director was found by a court of competent jurisdiction in a civil action or by the Commission to have violated any federal or state securities law, and the judgment in such civil action or finding by the Commission has not been subsequently reversed, suspended or vacated, or (v) such proposed director was the subject of, or a party to any federal or state judicial or administrative order, judgment, decree, or finding, not subsequently reversed, suspended or vacated, relating to a violation of any federal or state securities laws or regulations. In the event the Board reasonably finds the Nominee to be unsuitable based upon one or more of the foregoing clauses (i) through (v) and reasonably objects to the identified director, the Sponsor shall be entitled to propose a different Nominee to the Board within thirty (30) calendar days of the Company’s notice to the Sponsor of its objection to the Nominee and such replacement Nominee shall be subject to the review process outlined above.

5.1.11 The Company shall take all necessary action to cause a Nominee chosen by the Sponsor, at the request of such Nominee to be elected to the board of directors (or similar governing body) of each material operating subsidiary of the Company. The Nominee, as applicable, shall have the right to attend (in person or remotely) any meetings of the board of directors (or similar governing body or committee thereof) of each subsidiary of the Company.

Re: Initial Public Offering

Ladies and Gentlemen:

This letter (this "**Letter Agreement**") is being delivered to you in accordance with the Underwriting Agreement (the "**Underwriting Agreement**") entered into by and between Consonance-HFW Acquisition Corp., a Cayman Islands exempted company (the "**Company**") and J.P. Morgan Securities LLC, as representative (the "**Representative**") of the underwriter named therein (the "**Underwriter**"), relating to an underwritten initial public offering (the "**Public Offering**") of 10,000,000 of the Company's units (including 1,500,000 units that may be purchased pursuant to the Underwriters' option to purchase additional units, the "**Units**"), each comprised of one of the Company's Class A ordinary shares, par value \$0.0001 per share (the "**Ordinary Shares**"), and one-third of one redeemable warrant (each whole warrant, a "**Warrant**"). Each Warrant entitles the holder thereof to purchase one Ordinary Share at a price of \$11.50 per share, subject to adjustment. The Units will be sold in the Public Offering pursuant to a registration statement on Form S-1 and a prospectus (the "**Prospectus**") filed by the Company with the U.S. Securities and Exchange Commission (the "**Commission**"). Certain capitalized terms used herein are defined in paragraph 1 hereof.

In order to induce the Company and the Underwriters to enter into the Underwriting Agreement and to proceed with the Public Offering and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Consonance Life Sciences (the "**Sponsor**") and each of the undersigned (each, an "**Insider**" and, collectively, the "**Insiders**") hereby agree with the Company as follows:

1. Definitions. As used herein, (i) "**Business Combination**" shall mean a merger, share exchange, asset acquisition, share purchase, reorganization or similar business combination with one or more businesses or entities; (ii) "**Founder Shares**" shall mean the 2,875,000 Class B ordinary shares of the Company, par value \$0.0001 per share, outstanding prior to the consummation of the Public Offering; (iii) "**Private Placement Units**" shall mean the 450,000 units (or 480,000 units if the Underwriter's over-allotment option is exercised in full) that will be acquired by the Sponsor for an aggregate purchase price of \$4,500,000 (or up to \$4,800,000 if the Underwriter exercises its option to purchase additional units in full) in a private placement that shall close simultaneously with the consummation of the Public Offering (including the Ordinary Shares and private placement warrants underlying such units and the Ordinary Shares issuable upon exercise of such private placement units thereof); (iv) "**Public Shareholders**" shall mean the holders of Ordinary Shares included in the Units issued in the Public Offering; (v) "**Public Shares**" shall mean the Ordinary Shares included in the Units issued in the Public Offering; (vi) "**Trust Account**" shall mean the trust account into which a portion of the net proceeds of the Public Offering and the sale of the Private Placement Units shall be deposited; (vii) "**Transfer**" shall mean the (a) sale of, offer to sell, contract or agreement to sell, hypothecate, pledge, grant of any option to purchase or otherwise dispose of or agreement to dispose of, directly or indirectly, or establishment or increase of a put equivalent position or liquidation with respect to or decrease of a call equivalent position within the meaning of Section 16 of the Securities Exchange Act of 1934, as amended, and the rules and regulations of the Commission promulgated thereunder with respect to, any security, (b) entry into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any security, whether any such transaction is to be settled by delivery of such securities, in cash or otherwise, or (c) public announcement of any intention to effect any transaction specified in clause (a) or (b); and (viii) "**Charter**" shall mean the Company's Amended and Restated Memorandum and Articles of Association, as the same may be amended from time to time.

2. Representations and Warranties.

(a) The Sponsor and each Insider, with respect to itself, herself or himself, represent and warrant to the Company that it, she or he has the full right and power, without violating any agreement to which it, she or he is bound (including, without limitation, any non-competition or non-solicitation agreement with any employer or former employer), to enter into this Letter Agreement, and, as applicable, to serve as an officer of the Company and/or a director on the Company's Board of Directors (the "**Board**"), as applicable, and each Insider hereby consents to being named in the Prospectus, road show and any other materials as an officer and/or director of the Company, as applicable.

(b) Each Insider represents and warrants, with respect to herself or himself, that such Insider's biographical information furnished to the Company (including any such information included in the Prospectus) is true and accurate in all material respects and does not omit any material information with respect to such Insider's background. The Insider's questionnaire furnished to the Company is true and accurate in all material respects. Each Insider represents and warrants that such Insider is not subject to or a respondent in any legal action for, any injunction, cease-and-desist order or order or stipulation to desist or refrain from any act or practice relating to the offering of securities in any jurisdiction; such Insider has never been convicted of, or pleaded guilty to, any crime (i) involving fraud, (ii) relating to any financial transaction or handling of funds of another person, or (iii) pertaining to any dealings in any securities and such Insider is not currently a defendant in any such criminal proceeding; and such Insider has never been suspended or expelled from membership in any securities or commodities exchange or association or had a securities or commodities license or registration denied, suspended or revoked.

3. Business Combination Vote. It is acknowledged and agreed that the Company shall not enter into a definitive agreement regarding a proposed Business Combination without the prior consent of the Sponsor. The Sponsor and each Insider, with respect to itself or herself or himself, agrees that if the Company seeks shareholder approval of a proposed initial Business Combination, then in connection with such proposed initial Business Combination, it, she or he, as applicable, shall vote all Founder Shares and any Public Shares held by it, her or him, as applicable, in favor of such proposed initial Business Combination (including any proposals recommended by the Board in connection with such Business Combination) and not redeem any Public Shares held by it, her or him, as applicable, in connection with such shareholder approval.

4. Failure to Consummate a Business Combination; Trust Account Waiver.

(a) The Sponsor and each Insider hereby agree, with respect to itself, herself or himself, that in the event that the Company fails to consummate its initial Business Combination within the time period set forth in the Charter, the Sponsor and each Insider shall take all reasonable steps to cause the Company to (i) cease all operations except for the purpose of winding up; (ii) as promptly as reasonably possible but not more than 10 business days thereafter, redeem 100% of the Public Shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company to pay income taxes (less up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding Public Shares, which redemption will completely extinguish Public Shareholders' rights as shareholders (including the right to receive further liquidation distributions, if any); and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the Company's remaining shareholders and the Board, liquidate and dissolve, subject in the case of clauses (ii) and (iii) to the Company's obligations under Cayman Islands law to provide for claims of creditors and in all cases subject to the other requirements of applicable law. The Sponsor and each Insider agree not to propose any amendment to the Charter (i) that would modify the substance or timing of the Company's obligation to provide holders of the Public Shares the right to have their shares redeemed in connection with an initial Business Combination or to redeem 100% of the Public Shares if the Company does not complete an initial Business Combination within the required time period set forth in the Charter or (ii) with respect to any provision relating to the rights of holders of Public Shares unless the Company provides its Public Shareholders with the opportunity to redeem their Public Shares upon approval of any such amendment at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company to pay income taxes, if any, divided by the number of then-outstanding Public Shares.

(b) The Sponsor and each Insider, with respect to itself, herself or himself, acknowledges that it, she or he has no right, title, interest or claim of any kind in or to any monies held in the Trust Account or any other asset of the Company as a result of any liquidation of the Company with respect to the Founder Shares held by it, her or him, if any. The Sponsor and each Insider hereby further waives, with respect to any Founder Shares and Public Shares held by it, her or him, as applicable, any redemption rights it, she or he may have in connection with (x) the completion of the Company's initial Business Combination, and (y) a shareholder vote to approve an amendment to the Charter (i) that would modify the substance or timing of the Company's obligation to provide holders of the Public Shares the right to have their shares redeemed in connection with an initial Business Combination or to redeem 100% of the Public Shares if the Company has not consummated an initial Business Combination within the time period set forth in the Charter or (ii) with respect to any provision relating to the rights of holders of Public Shares (although the Sponsor and the Insiders shall be entitled to liquidation rights with respect to any Public Shares they hold if the Company fails to consummate a Business Combination within the required time period set forth in the Charter).

5. Lock-up; Transfer Restrictions.

(a) The Sponsor and the Insiders agree that they shall not Transfer any Founder Shares (the "**Founder Shares Lock-up**") until the earliest of (A) one year after the completion of the Company's initial Business Combination and (B) the date following the completion of an initial Business Combination on which the Company completes a liquidation, merger, share exchange, reorganization or other similar transaction that results in all of the Public Shareholders having the right to exchange their Ordinary Shares for cash, securities or other property (the "**Founder Shares Lock-up Period**"). Notwithstanding the foregoing, if, subsequent to a Business Combination, the closing price of the Ordinary Shares equals or exceeds \$12.00 per share (as adjusted for share sub-divisions, share capitalizations, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period commencing at least 150 days after the Company's initial Business Combination, the Founder Shares shall be released from the Founder Shares Lock-up.

(b) Subject to the provisions set forth in paragraph 5(c), the Sponsor and Insiders agree that they shall not effectuate any Transfer of Private Placement Units or the private placement shares and private placement warrants underlying such Private Placement Units until 30 days after the completion of an initial Business Combination.

(c) Notwithstanding the provisions set forth in paragraphs 5(a) and (b), Transfers of the Founder Shares, Private Placement Units and the private placement shares and private placement warrants underlying the Private Placement Units are permitted (a) to the Company's officers or directors, any affiliates or family member of any of the Company's officers or directors, any members or partners of the Sponsor or their affiliates, any affiliates of the Sponsor, or any employees of such affiliates; (b) in the case of an individual, by gift to a member of one of the individual's immediate family or to a trust, the beneficiary of which is a member of the individual's immediate family, an affiliate of such person or to a charitable organization; (c) in the case of an individual, by virtue of laws of descent and distribution upon death of the individual; (d) in the case of an individual, pursuant to a qualified domestic relations order; (e) by private sales or transfers made in connection with the consummation of a Business Combination at prices no greater than the price at which the Founder Shares, private placement warrants, private placement shares or Ordinary Shares, as applicable, were originally purchased; (f) by virtue of the Sponsor's organizational documents upon liquidation or dissolution of the Sponsor; (g) to the Company for no value for cancellation in connection with the consummation of its initial Business Combination, (h) in the event of the Company's liquidation prior to the completion of its initial Business Combination; or (i) in the event of completion of a liquidation, merger, share exchange or other similar transaction which results in all of the Company's Public Shareholders having the right to exchange their Ordinary Shares for cash, securities or other property subsequent to the completion of an initial Business Combination; provided, however, that in the case of clauses (a) through (f) these permitted transferees must enter into a written agreement agreeing to be bound by these transfer restrictions.

(d) During the period commencing on the effective date of the Underwriting Agreement and ending 180 days after such date, the Sponsor and each Insider shall not, without the prior written consent of the Representative, Transfer any Units, Ordinary Shares, Warrants or any other securities convertible into, or exercisable or exchangeable for, Ordinary Shares held by it, her or him, as applicable, subject to certain exceptions enumerated in Section 4(h) of the Underwriting Agreement.

6. Remedies. The Sponsor and each of the Insiders hereby agree and acknowledge that (i) each of the Underwriters and the Company would be irreparably injured in the event of a breach by the Sponsor or such Insider of its, her or his obligations, as applicable under paragraphs 3, 4, 5, 7, 10 and 11, (ii) monetary damages may not be an adequate remedy for such breach and (iii) the non-breaching party shall be entitled to injunctive relief, in addition to any other remedy that such party may have in law or in equity, in the event of such breach.

7. Payments by the Company. Except as disclosed in the Prospectus, neither the Sponsor nor any affiliate of the Sponsor nor any director or officer of the Company nor any affiliate of the directors and officers shall receive from the Company any finder's fee, reimbursement, consulting fee, monies in respect of any payment of a loan or other compensation prior to, or in connection with any services rendered in order to effectuate the consummation of the Company's initial Business Combination (regardless of the type of transaction that it is).

8. Director and Officer Liability Insurance. The Company will maintain an insurance policy or policies providing directors' and officers' liability insurance, and the Insiders shall be covered by such policy or policies, in accordance with its or their terms, to the maximum extent of the coverage available for any of the Company's directors or officers.

9. Termination. This Letter Agreement shall terminate on the earlier of (i) the expiration of the Founder Shares Lock-up Period and (ii) the liquidation of the Company; provided, however, that this Letter Agreement shall terminate in the event that the Public Offering is not consummated and closed by December 31, 2020; provided further that paragraph 10 of this Letter Agreement shall survive such liquidation.

10. Indemnification. In the event of the liquidation of the Trust Account upon the failure of the Company to consummate its initial Business Combination within the time period set forth in the Charter, the Sponsor (the “*Indemnitor*”) agrees to indemnify and hold harmless the Company against any and all loss, liability, claim, damage and expense whatsoever (including, but not limited to, any and all legal or other expenses reasonably incurred in investigating, preparing or defending against any litigation, whether pending or threatened) to which the Company may become subject as a result of any claim by (i) any third party for services rendered or products sold to the Company (except for the Company’s independent auditors) or (ii) any prospective target business with which the Company has discussed entering into a transaction agreement (a “*Target*”); provided, however, that such indemnification of the Company by the Indemnitor (x) shall apply only to the extent necessary to ensure that such claims by a third party for services rendered or products sold to the Company or a Target do not reduce the amount of funds in the Trust Account to below the lesser of (i) \$10.00 per Public Share and (ii) the actual amount per Public Share held in the Trust Account as of the date of the liquidation of the Trust Account if less than \$10.00 per Public Share due to reductions in the value of the trust assets, in each case net of interest that may be withdrawn to pay the Company’s tax obligations, (y) shall not apply to any claims by a third party or Target who executed a waiver of any and all rights to the monies held in the Trust Account (whether or not such waiver is enforceable) and (z) shall not apply to any claims under the Company’s indemnity of the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended. The Indemnitor shall have the right to defend against any such claim with counsel of its choice reasonably satisfactory to the Company if, within 15 days following written receipt of notice of the claim to the Indemnitor, the Indemnitor notifies the Company in writing that it shall undertake such defense.

11. Forfeiture of Founder Shares. To the extent that the Underwriters do not exercise their option to purchase additional Units within 45 days from the date of the Prospectus in full (as further described in the Prospectus), the Sponsor agrees to automatically surrender to the Company for no consideration, for cancellation at no cost, an aggregate number of Founder Shares so that the number of Founder Shares will equal of 20% of the sum of the total number of Ordinary Shares and Founder Shares outstanding at such time. The Sponsor and Insiders further agree that to the extent that the size of the Public Offering is increased or decreased, the Company will effect a share capitalization or a share repurchase, as applicable, with respect to the Founder Shares immediately prior to the consummation of the Public Offering in such amount as to maintain the number of Founder Shares at 20% of the sum of the total number of Ordinary Shares and Founder Shares outstanding at such time.

12. Entire Agreement. This Letter Agreement constitutes the entire agreement and understanding of the parties hereto in respect of the subject matter hereof and supersedes all prior understandings, agreements, or representations by or among the parties hereto, written or oral, to the extent they relate in any way to the subject matter hereof or the transactions contemplated hereby. This Letter Agreement may not be changed, amended, modified or waived (other than to correct a typographical error) as to any particular provision, except by a written instrument executed by (1) each Insider that is the subject of any such change, amendment, modification or waiver and (2) the Sponsor.

13. Assignment. No party hereto may assign either this Letter Agreement or any of its rights, interests, or obligations hereunder without the prior written consent of the other parties. Any purported assignment in violation of this paragraph shall be void and ineffectual and shall not operate to transfer or assign any interest or title to the purported assignee. This Letter Agreement shall be binding on the Sponsor, each of the Insiders and each of their respective successors, heirs, personal representatives and assigns and permitted transferees.

14. Counterparts. This Letter Agreement may be executed in any number of original or facsimile counterparts, and each of such counterparts shall for all purposes be deemed to be an original, and all such counterparts shall together constitute but one and the same instrument.

15. Effect of Headings. The paragraph headings herein are for convenience only and are not part of this Letter Agreement and shall not affect the interpretation thereof.

16. Severability. This Letter Agreement shall be deemed severable, and the invalidity or unenforceability of any term or provision hereof shall not affect the validity or enforceability of this Letter Agreement or of any other term or provision hereof. Furthermore, in lieu of any such invalid or unenforceable term or provision, the parties hereto intend that there shall be added as a part of this Letter Agreement a provision as similar in terms to such invalid or unenforceable provision as may be possible and be valid and enforceable.

17. Governing Law. This Letter Agreement shall be governed by and construed and enforced in accordance with the laws of the State of New York, without giving effect to conflicts of law principles that would result in the application of the substantive laws of another jurisdiction. The parties hereto (i) all agree that any action, proceeding, claim or dispute arising out of, or relating in any way to, this Letter Agreement shall be brought and enforced in the courts of New York City, in the State of New York, and irrevocably submit to such jurisdiction and venue, which jurisdiction and venue shall be exclusive, and (ii) waive any objection to such exclusive jurisdiction and venue or that such courts represent an inconvenient forum.

18. Notices. Any notice, consent or request to be given in connection with any of the terms or provisions of this Letter Agreement shall be in writing and shall be sent by express mail or similar private courier service, by certified mail (return receipt requested), by hand delivery or facsimile or other electronic transmission.
